

The background features a complex arrangement of blue geometric lines and shapes. A large, irregular polygonal frame is composed of multiple overlapping rectangles and triangles. Within this frame, the word "Lariat" is written in a stylized, blue, outlined font. The letter "L" is tall and narrow, while the "a"s and "i" are more rounded and compact. The "r" and "t" are also stylized, with the "t" having a long, thin vertical stroke. The overall composition is abstract and geometric, with a focus on blue lines and shapes on a light beige background.

September—The first Sounds of '58 were those of our first pep rally as the Roper spirit was created anew. Last year's acquaintances were renewed with the sounds of "Hi!" echoing up and down the halls, and we began to feel that "Will on the Hill" had come to life again.

October—The month of October rang with the sounds of patriotism as Governor Gary, at the Bellamy Award Presentation, instilled in us the spirit of freedom and caused us to be more grateful for the privilege of being Americans.

November—The clinking of coins being dropped into glass jars was an often-heard sound during the month of November as the “Ugly Man Contest”, one of the most popular school elections of the year, was enthusiastically promoted for the benefit of the cheerleaders.

*“ . . . We Will Always
Be True . . .*

The roaring of bulldozers, the groaning of tractors, and the exploding of dynamite were the first sounds to be heard at “Will on the Hill” in October, 1937. The sounds of the lonesome prairie which first surrounded our school in its infancy have since been replaced by the sounds of a thriving metropolis, and our school seems to be a reflection of that metropolis on a smaller scale as we learn of the sounds of the future at Will Rogers High School.

We dedicate this Lariat to the class of '58 and to the sounds of '58 which this class has created during its three years at Rogers.

The sounds of class bells have been a constant reminder that we are here to become better educated with only a limited time in which to earn the credits necessary for graduation. Bells have also aided in our fun and enjoyment of 1958 by being the theme of the '58 Round-Up.

Many sounds have issued forth over the public address system to jar students and teachers alike. A familiar and pleasant voice we frequently heard was that of Dr. Knight as he amended the daily bulletin or made announcements to the student body.

In the year of '58 many other sounds were heard; the sounds of dishes in the cafeteria, of typewriters from the offices and typing classes, of enthusiastic crowds at the athletic events, of assemblies, of faculty meetings, of showers in the gym, and even the haunting voice of Will Rogers as his words echoed back through our halls, our hearts, and our lives. To the seniors the "Sounds of '58" will be precious for they are their last memory of Will Rogers High School. As you turn these pages join us in reminiscing over a profitable year, full of exciting sounds, and see how many of them you can recall.

*. . . to the Gold
and the Blue . . ."*

December—The blending voices of carolers drifted down the halls of Rogers, as our voices united with those the world over in the happy and joyous spirit of the Christmas season.

January—As the beeps of Sputnik and the drones of the Explorer reached the earth from outer space, our thoughts orbited back to the classroom and laboratory, and we realized that America's future was truly in our hands.

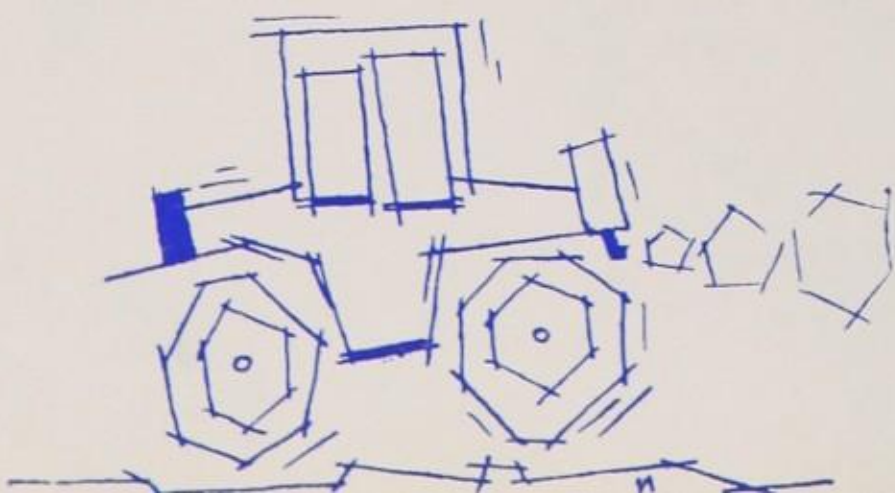

February—For a six-day run, beginning February 24th, the sounds of bells reverberated from the orchestra pit to the balcony of our auditorium. The scenes of “Cow Bells”, “Sleigh Bells”, “Hells Bells”, “Wedding Bells”, and this act from the “Bell Jar” scene made up the 1958 Round-Up.

March—Tension was the keynote of March and victory the sound, as, in the height of our basketball season, we lived each moment of our fight to become State Basketball Champions.

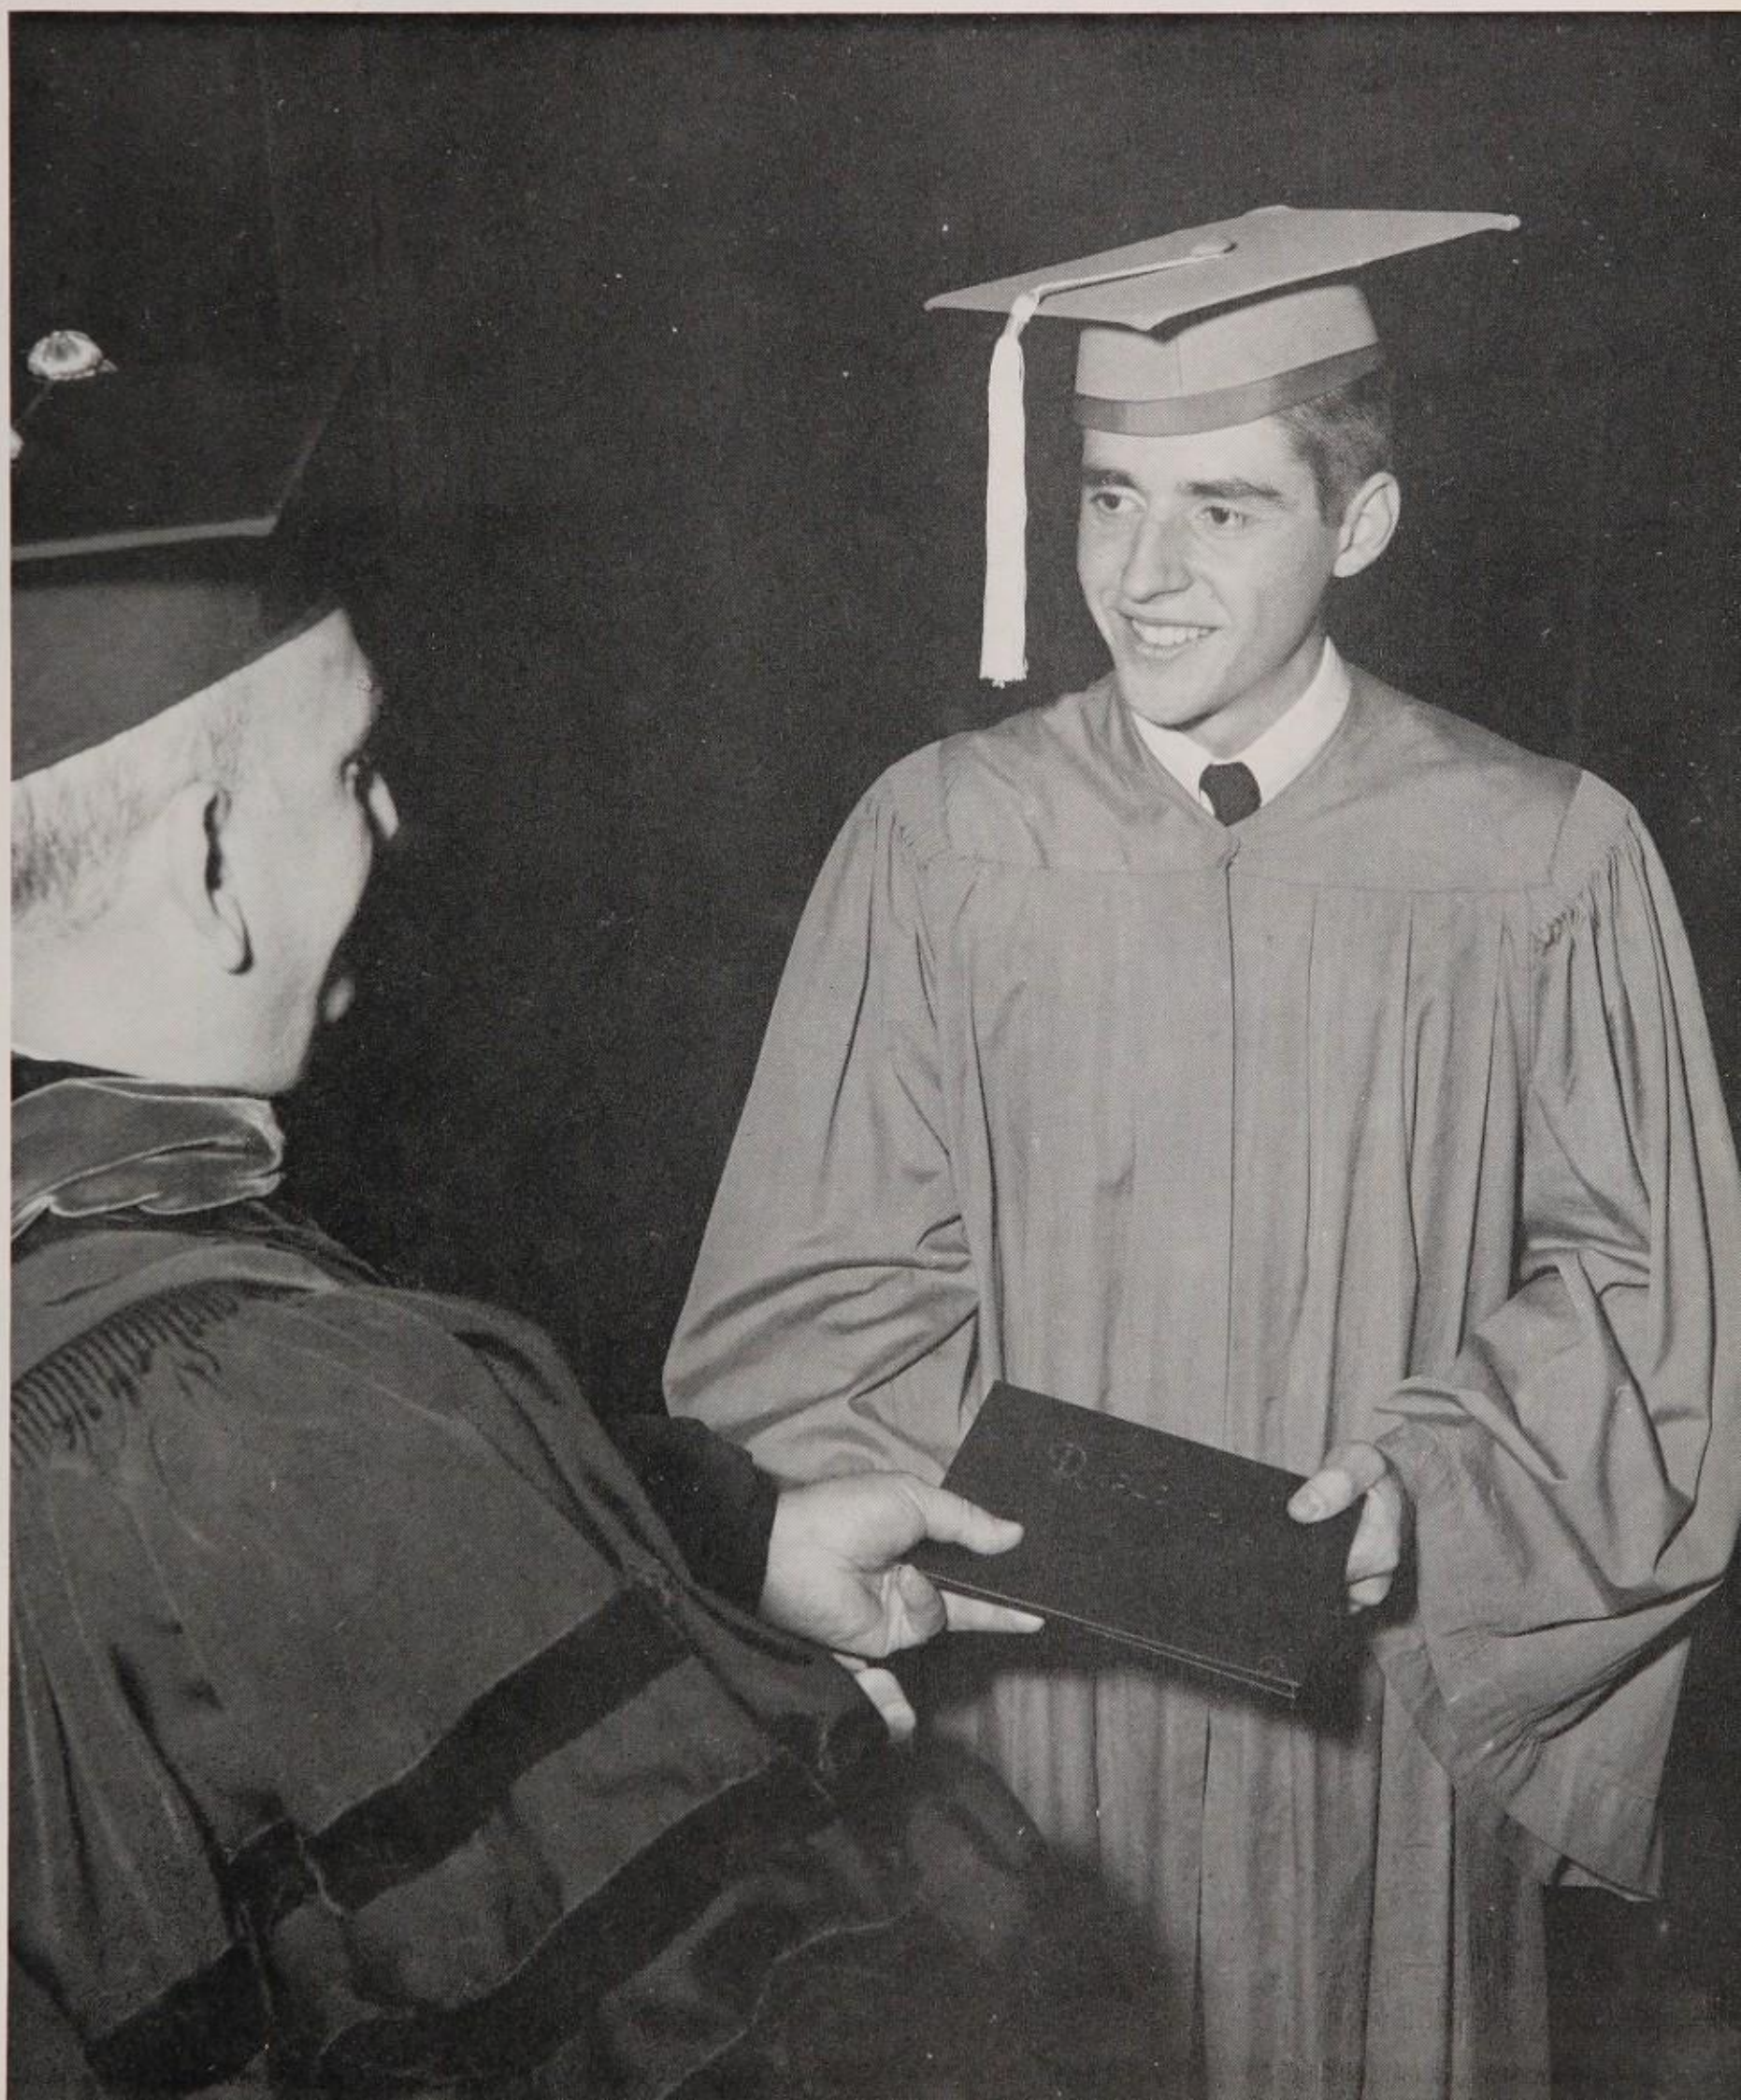

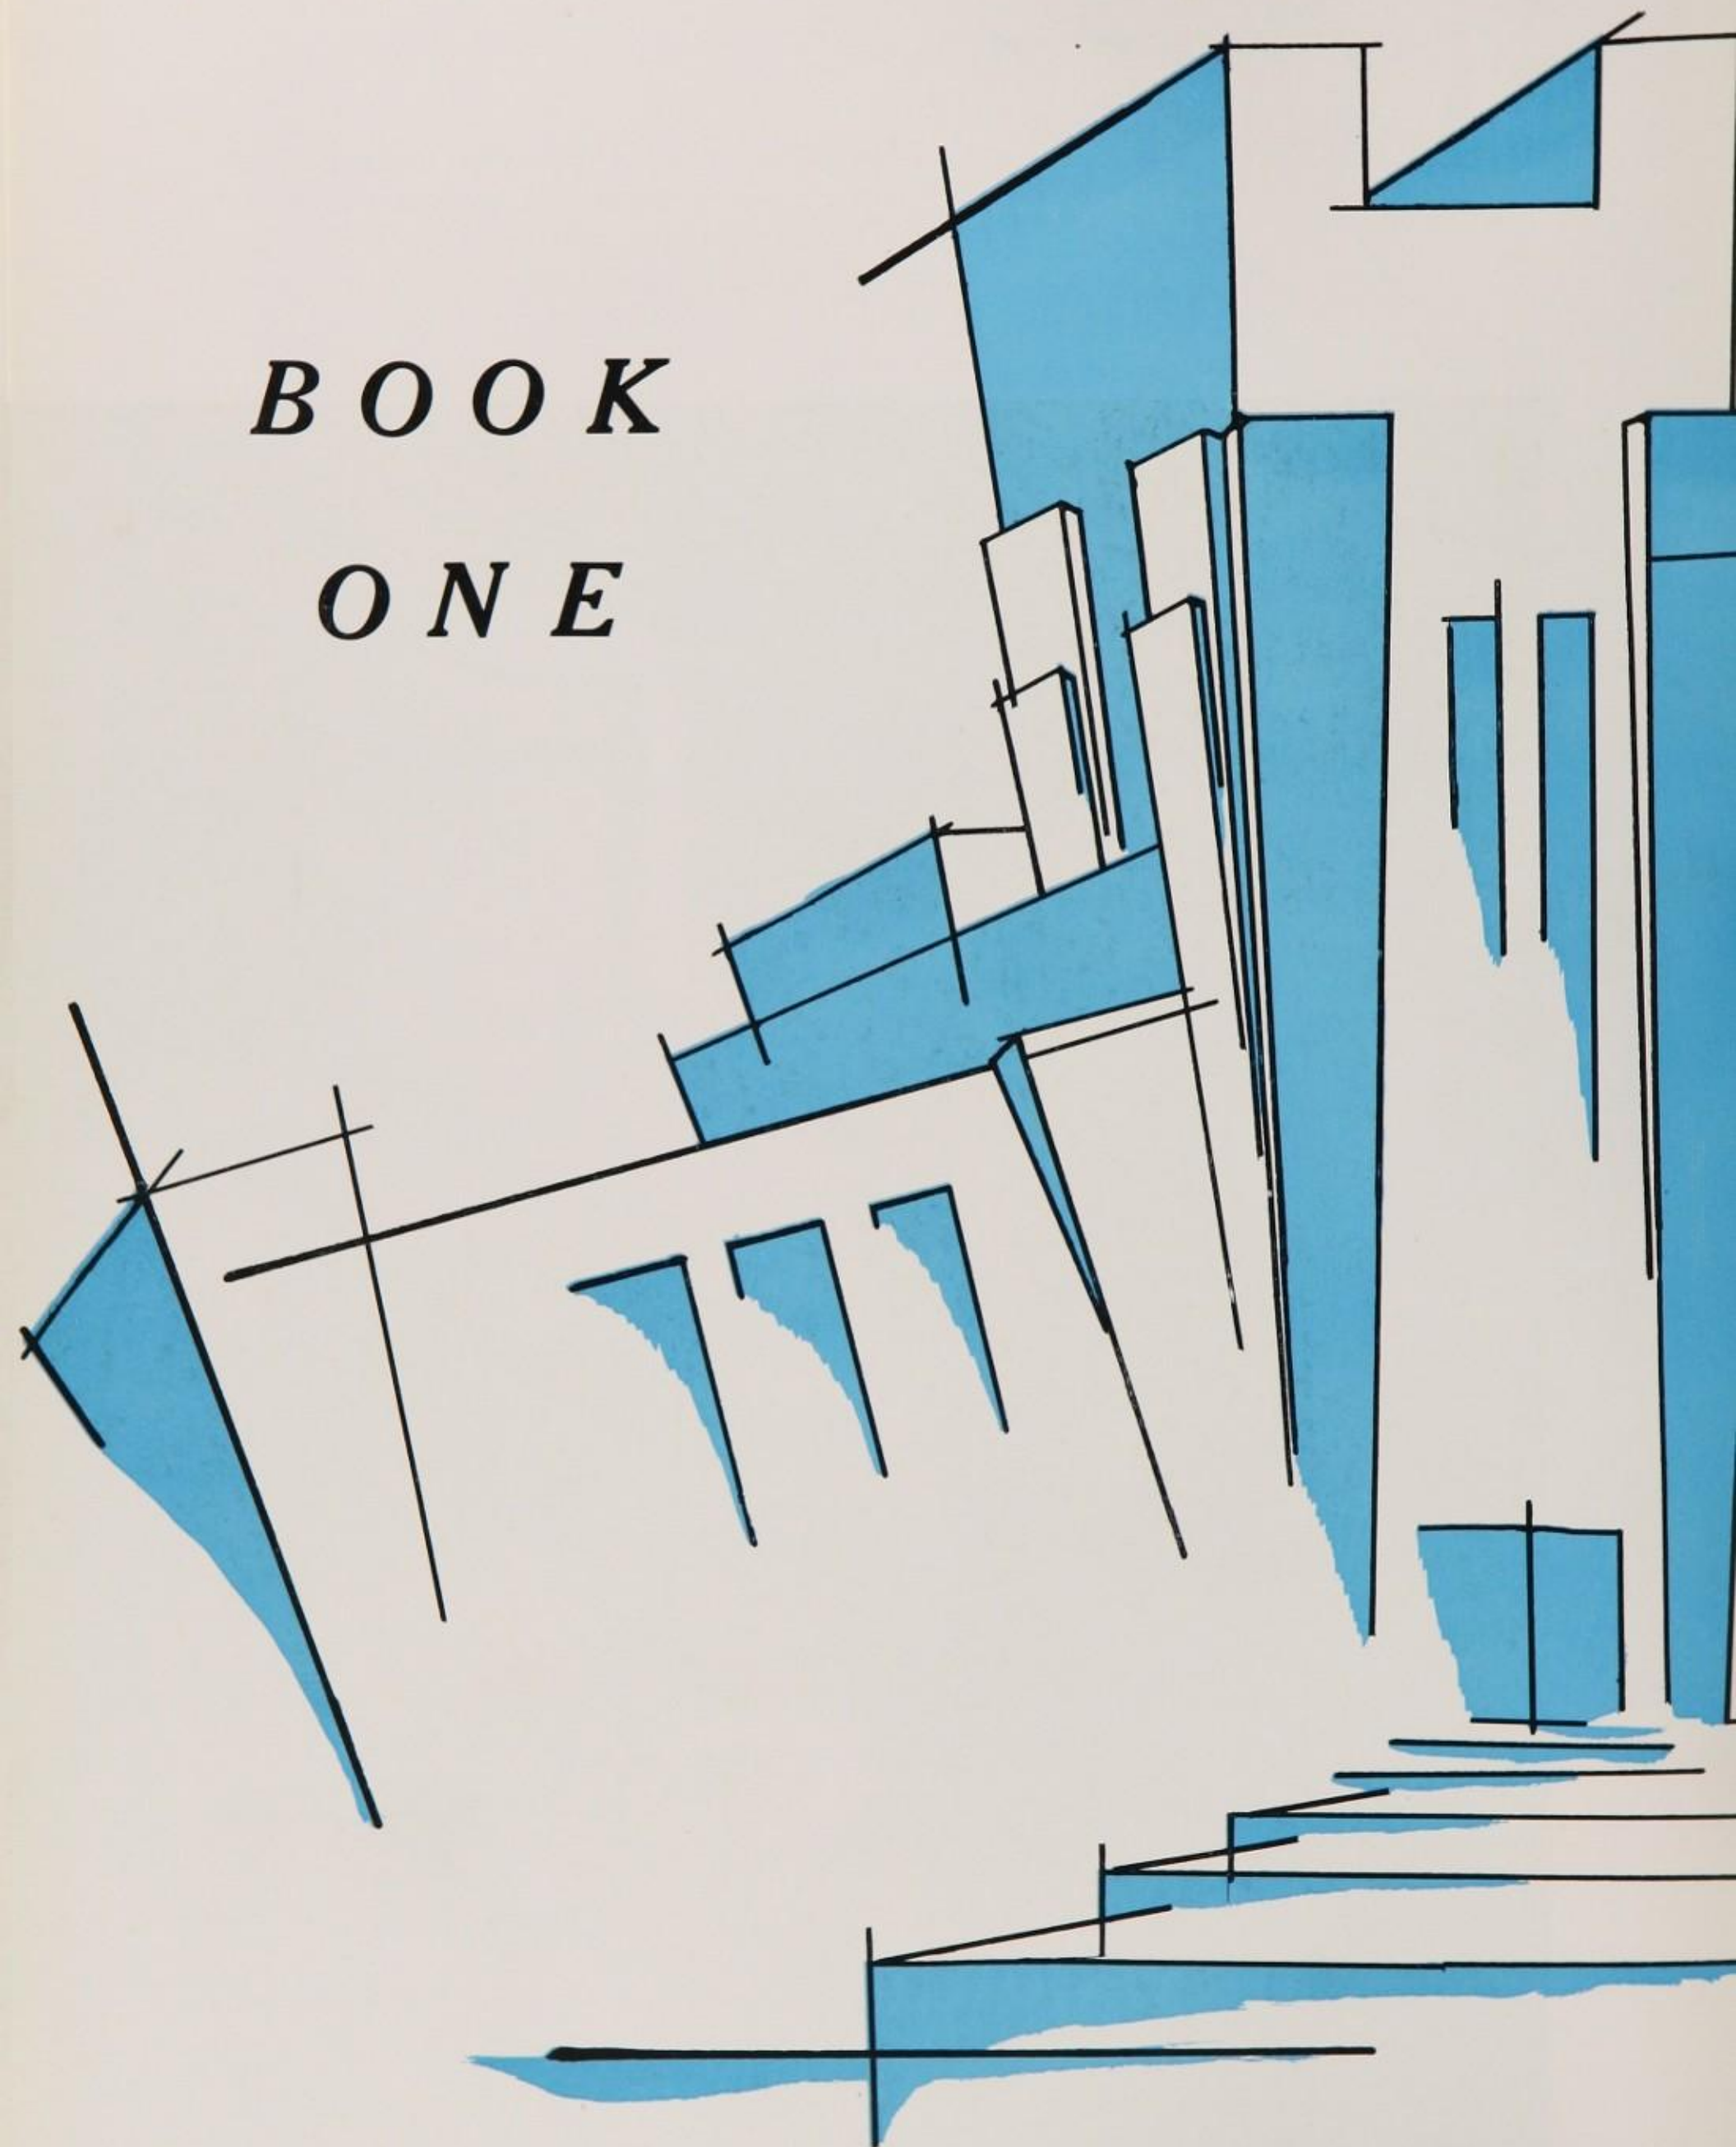

April—Sounds of the Model-T Ford era, of the old deep south, and of ancient Egypt were recreated by the Aquadettes in their annual water show. The theme of the show, “Mommies, Mammies, and Mummies”, was skillfully adapted to the graceful movements of synchronized swimming combined with music and lighting effects.

May—The strains of “Pomp and Circumstance” and the welcome sounds of congratulations filled our hearts with pride and joy as the graduating seniors received their long-awaited diplomas.

BOOK
ONE

An abstract geometric drawing featuring various blue shapes (triangles, rectangles, and a curved structure) and black lines. The shapes are scattered across the page, with some forming a horizontal line at the top and others forming a curved structure at the bottom. The text 'the school' is centered in the middle of the page.

Principals

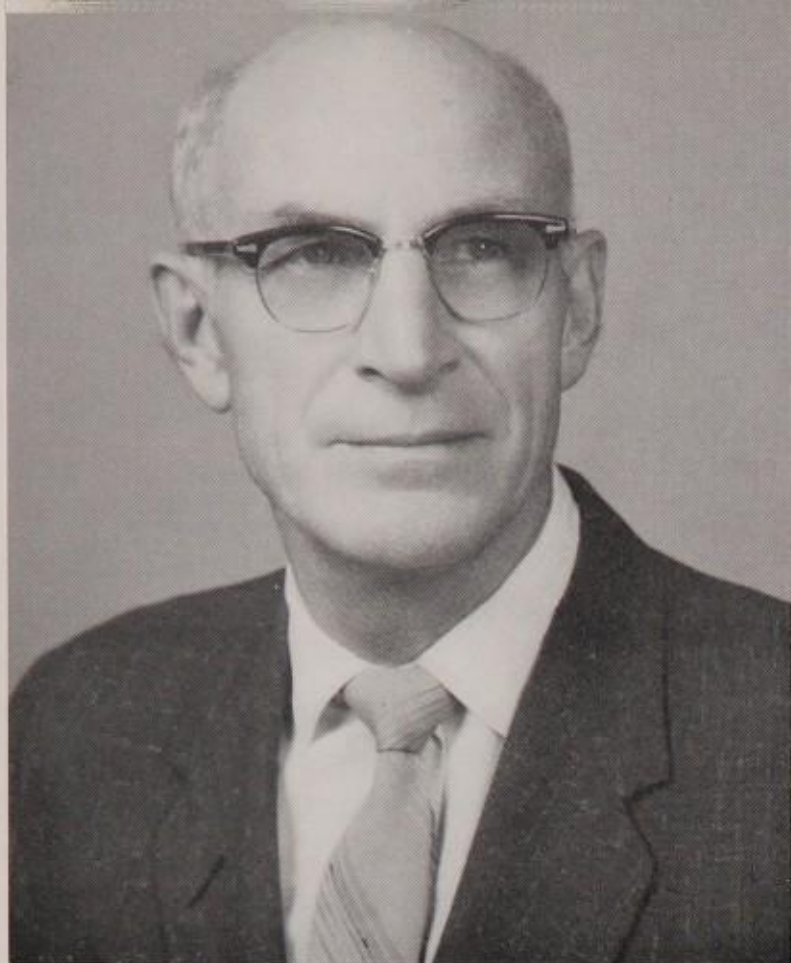

Dr. R. W. Knight has been the capable leader of our school during a period of continuous growth in enrollment. His leadership has been responsible for an over-all expansion of all the school's services and, under his administration, the school has been nationally recognized for its outstanding training in citizenship and scholarship. Never too busy to counsel with the individual, he has earned the respect and admiration of students and teachers alike.

Mr. Otto Endres
Counselor of Boys

Miss Edwina Calhoun
Counselor of Girls

The Guidance Staff

Because of the increasing enrollment and a greater need for educational and vocational counseling, our guidance staff was expanded this year to nine. Besides conferring with

individual students each day, the guidance staff meets weekly to discuss problems of the students' welfare at school and to plan for improvements in the guidance program.

Left to Right: Mr. Tucker, Miss Gartman, Mrs. Cox, Mr. Hipsher, Dr. Knight, Miss Calhoun, Mrs. Lockwood, Mr. Endres, and Mr. Schultz.

English

One of the largest departments at Will Rogers is our English Department, under the direction of Mrs. Madge Gibson. Every student is required to take English all three years in high school, however, either Business English or College Preparatory English may be taken in the student's senior year. In our English classes we usually have one semester of grammar and composition, alternating with one semester of literature.

Included in this department are the journalism classes; the school newspaper and the yearbook. Also, each year a school literary magazine, the *Roper's Review*, is published by the English Department. These things offer additional training for entering special vocations after graduation.

Miss Tommie Barnes holds the attention of her fourth period English class as she describes a scene in "A Tale of Two Cities."

Foreign Language

Although classes in foreign language are electives at Will Rogers, many students choose them to meet college requirements. The study of a foreign language helps students to learn about the country and gives them a better understanding of their own language. French, Latin and Spanish are offered in this department, under the chairmanship of Miss Erminie Elms.

Miss Elms helps a student in her fourth period French class, as she recites her homework for the day.

Linda Maxwell, Gail Gibson, and Bob Wilks receive help from Miss Niles in a speech class activity.

Dramatics

The dramatics department, offering courses in first and second year speech, plays a large role at Will Rogers. This department provides much valuable training and dramatic experience for students in these classes and those participating in extracurricular drama activities. The production of the assemblies and the annual Round-Up is planned by Miss Doris Niles, while the class plays are under the direction of Mrs. Erma Martens.

Library

The library offers students a quiet place to study and provides reading material for them. As sophomores, the students have orientation classes in the library where they learn library procedures. As juniors and seniors, students put the library to use in the writing of themes and fulfilling other research assignments.

Science

The training of future scientists is perhaps the most important duty of the Science Department, headed by Mrs. Martha Leonard. Our school, realizing the need for personnel in the scientific field, is above average in preparing students for future vocations in the many interesting fields of science.

Industrial and Vocational Education

Students are trained in many fields in this department. Classes are offered in manual shops, Distributive Education, and Diversified Occupations. Some students become acquainted with different vocational fields and others are employed on a combination work and school basis. Many students receive training for the vocational field they plan to enter after graduation.

Mr. Sanchez demonstrates a new method of setting type to Jim Crow and Elbert Davidson in the print shop.

Mr. Blain Smith points out fundamental principles of Algebra I to three sophomores.

... FACULTY ...

Mathematics

The Mathematics Department contributes a great deal to the college preparation of most math students, and is a most vital part of Will Rogers High School. Headed by Miss Kathleen Begley, the department offers courses in general math, first year algebra, plane geometry, second year algebra, solid geometry, and trigonometry.

Music

W.R.H.S. has three instrumental groups, the dance band, the orchestra, and the concert band, under the direction of Mr. Carl Barnett. There are four choral groups, the Choir, Choraliers, Lass O's, and Rhythm Ropers, under the direction of Mr. Wyatt Freeman. The instrumental groups play at school functions and the choral groups perform in assemblies and in the community.

... FACULTY ...

Boys' Physical Education

The Boys' Physical Education Department, under the direction of Mr. Harry Knapp, provides one and one half years of physical education for all boys. Rogers participates in ten interscholastic sports: football, basketball, baseball, track, wrestling, tennis, golf, swimming, cross country, and precision shooting. The boys who excel in these interscholastic sports are placed in the sixth period physical education classes where they may further develop their special skills.

Girls' Physical Education

The Girls' Physical Education program, although not offering interscholastic competition as the boys' program does, is of equal importance. Students participate in such sports activities as field hockey, golf, swimming, tennis, basketball, and modern dancing. Many girls wishing to participate in further physical education activities can join the Girls' Recreation Association or other clubs which promote special sports. This department is under the chairmanship of Mrs. Kay Camp.

Mrs. Darrough leads the girls in her second-period physical education class in modern dance exercises.

Homemaking

The Homemaking Department is under the direction of Miss Bessie Hiatt. There are five separate courses offered in this department. They are: senior problems, a one semester course offered to seniors only; personal development, also a one semester course which is a requirement for all juniors; general homemaking, which is offered to any student wishing to participate in both sewing and cooking; and foods and clothing, which are full year courses for more advanced students. The primary goal of this department is the training of students for future home and family life.

Art

The Art Department of Will Rogers High School, headed by Mrs. Hortense Bateholts, is truly an asset to our school. Besides offering ten different art courses, this department serves the school in a great variety of ways such as designing sets and costumes for the Round-Up and preparing the art work for the Lariat.

Mr. Hogue praises Kay Maddox and Nancy Masoner for their fine work in the second-period commercial art class.

Special Services

This department has been labeled special services because of the many and varied tasks which each member performs. Included in this department are the building superintendent and the men under him who are responsible for the maintenance of Rogers; the office-workers who do everything from enrolling and registering students to keeping the attendance record and daily bulletins in good order; and the cafeteria workers who are concerned with preparing an inexpensive and appetizing lunch for the student body. Valuable services are also performed by the nurse and matrons who are always ready to aid those who become ill at school or those who need a button sewn on or a broken zipper fixed; the accompanist who plays the piano for the modern dance classes in the girls gym; and the stagecraft director who is responsible for all lighting, scenery, and sound effects for any production on the Rogers' stage. All of these behind-the-scenes workers are essential to the smooth running of our school and are deeply appreciated, although we often forget to thank them.

In Memoriam

MRS. PAULINE PERRY

Mrs. Pauline Perry, Dean of Girls at Will Rogers for five years, died April 27, 1957. She had served previously as a teacher of mathematics and as a class counselor. A person of unusual poise, dignity, and understanding, she gave to all of our students and faculty the respect and consideration which she herself commanded. Mrs. Perry was a devoted mother, a dedicated teacher, and an active worker in all civic affairs which promoted the well-being of our youth. The memory of this fine person will always be cherished by Will Rogers and the community.

Senior Memories

On September third the long-silent halls of "Will-on-the-Hill" once more resounded with familiar voices as we renewed old acquaintances with those whom we had not seen for several months. After four days of getting back into the old groove we became increasingly excited at the prospect of receiving our senior rings. Finally the day arrived. Despite the cold, rainy weather, spirits were bright; for at last we possessed the long awaited brand of upperclassmen.

The senior class sponsored an all-school mixer after the Rogers-Webster game. We had good reason for celebration after our triumphant victory over our opponent.

This year's senior class play was "The Great American Family," a hilarious, surprised-filled comedy complete with a real baby and a goat.

For the third consecutive year Mike Miller led our class as President. Serving under him

were T. J. Garris, Vice President; Carol Garvin, Secretary; Sandy Martin, Treasurer; David James, Social Chairman; and Vera Harlan, Student Council Representative.

Miss Gartman was joined by Mrs. Cox this year as Senior Counselor. Throughout the year they were both willing and helpful in counseling us. We wish to thank them for their able assistance throughout our years at Rogers.

The cheerleaders again sponsored an Ugly-man Contest in order to raise funds for their activities. Don Eddy received the honor and was presented with a plaque naming him as Ugly-man at the annual awards assembly.

One of the highlights of the year was the election of Miss Will Rogers XIX. Donna Polite was chosen from among eight beautiful contestants. Her attendants were Becky Scoggins and Sharon Snedden. Queen Donna was honored after her coronation with a dance given in her honor.

The Christmas talent assembly put us in a gay holiday spirit; so when the traditional Christmas tree was placed in our front corridor, all seemed to respond with happiness. Included in the seniors' Christmas activities was the annual Chilli Supper. A highlight of the evening was the musical entertainment, which ranged from popular standards to rock and roll. We were also honored by a visit from Santa Claus, who gave gifts and laughs.

The Band Queen was elected by popular vote this year. Darielle Dunn was our choice, with Janet Jerome and Linda Kelly serving as her attendants. The band sponsored a dance for band members and guests, over which Queen Darielle reigned.

We really felt that our days at "Will-on-the-Hill" were nearing an end when we ordered our announcements. The morning we measured for our caps and gowns there was much

excitement. This was one more memorable experience to add to our book of memories from Will Rogers.

The Round-Up this year was one of the best that we have ever had. The cast was enormous and the show was filled with talented acts. The theme for this year's variety show was "Bells". Although long hard hours were spent in the production of the Round-Up, after the first night everyone realized it was well worth the time and effort.

Senior Week began with Class Day on May twenty-second. At the final program seniors assembled in the auditorium to bequeath gifts to the underclassmen and to hear a prophecy of things to come. The program was climaxed as we joined hands and sang the traditional "Auld Lang Syne."

The senior breakfast was held at Spartan Cafeteria this year. We enjoyed some delicious food plus some delightful entertainment.

For the first time Vespers were held at the Fairgrounds in the Educational Building. The services provided us with the spiritual understanding needed for the responsibilities that

would lie ahead.

The Crystal Ballroom was the scene of the Senior Banquet. Following the banquet the juniors entertained us at the Cimmaron Ballroom with a prom which we enjoyed very much.

We received our diplomas on May 28 and said our final good-byes to our classmates.

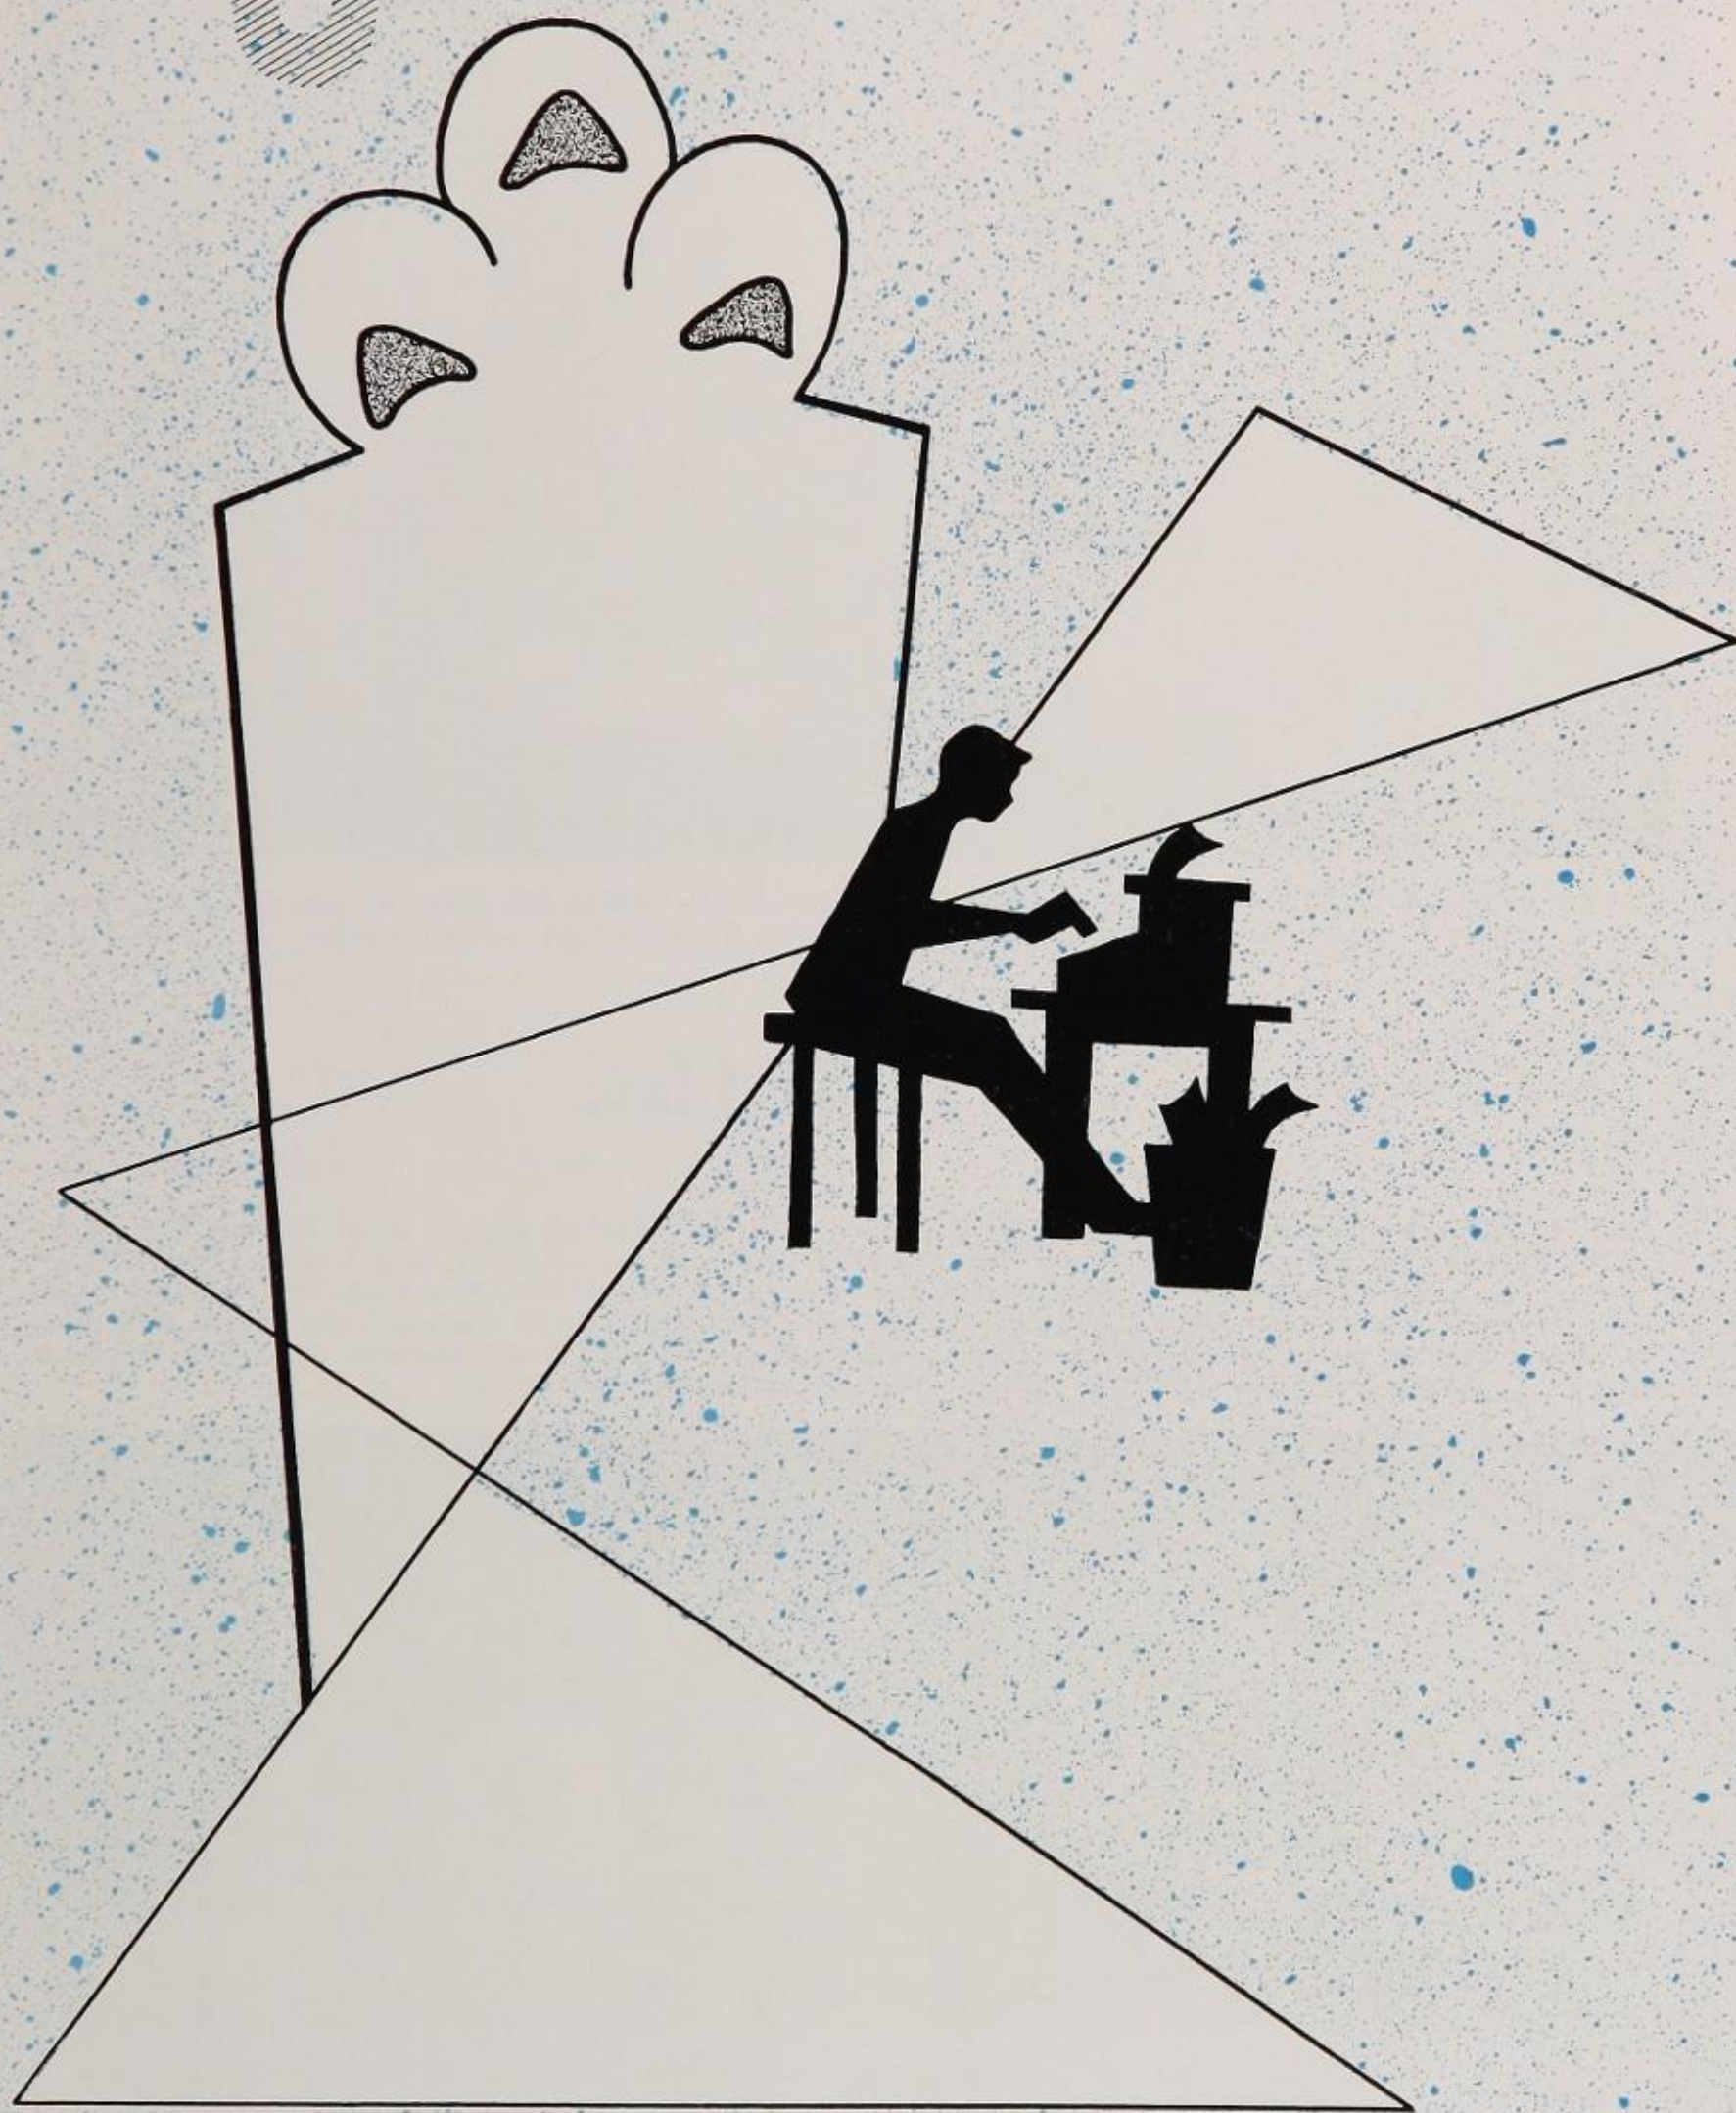

On September seventh the seniors anxiously waited in line at Moody's Jewelry for the coveted brand of an upperclassman.

The sounds of the "Retreat of Colors" and those of departure were blended as the seniors became alumni of Will Rogers High School.

One of the songs we juniors heard sung during the past year was "Memories are Made of This". Our memories were made up of a number of things, most of them very exciting.

After enrolling on August 28 we realized our vacation was really about to end. We started school September 3, as the first class at Rogers to have an exchange student among its members. He was Gunter Feischl, who was taking our own Mary Morris' place here while she substituted for him in Austria.

The first big task which confronted us was that of electing our Football Queen Attendants. From the many beauties in our class, six finalists were chosen. When all was said and done, the two victorious girls were Betty Bard and Janice Pitchford.

Our junior play "Around the World in 80 Days", was a big success. The star performers were Stan Wright and Gloria Briggs. To promote interest in our play we had a sales contest. A 1959 senior ring, the first prize, was awarded to Diane Bailey who sold 135 tickets.

The event we all awaited anxiously came at last, the Junior-Senior Prom. As the strains of music faded away, we realized the many sounds of our Junior year will be cherished throughout the lives of each of us.

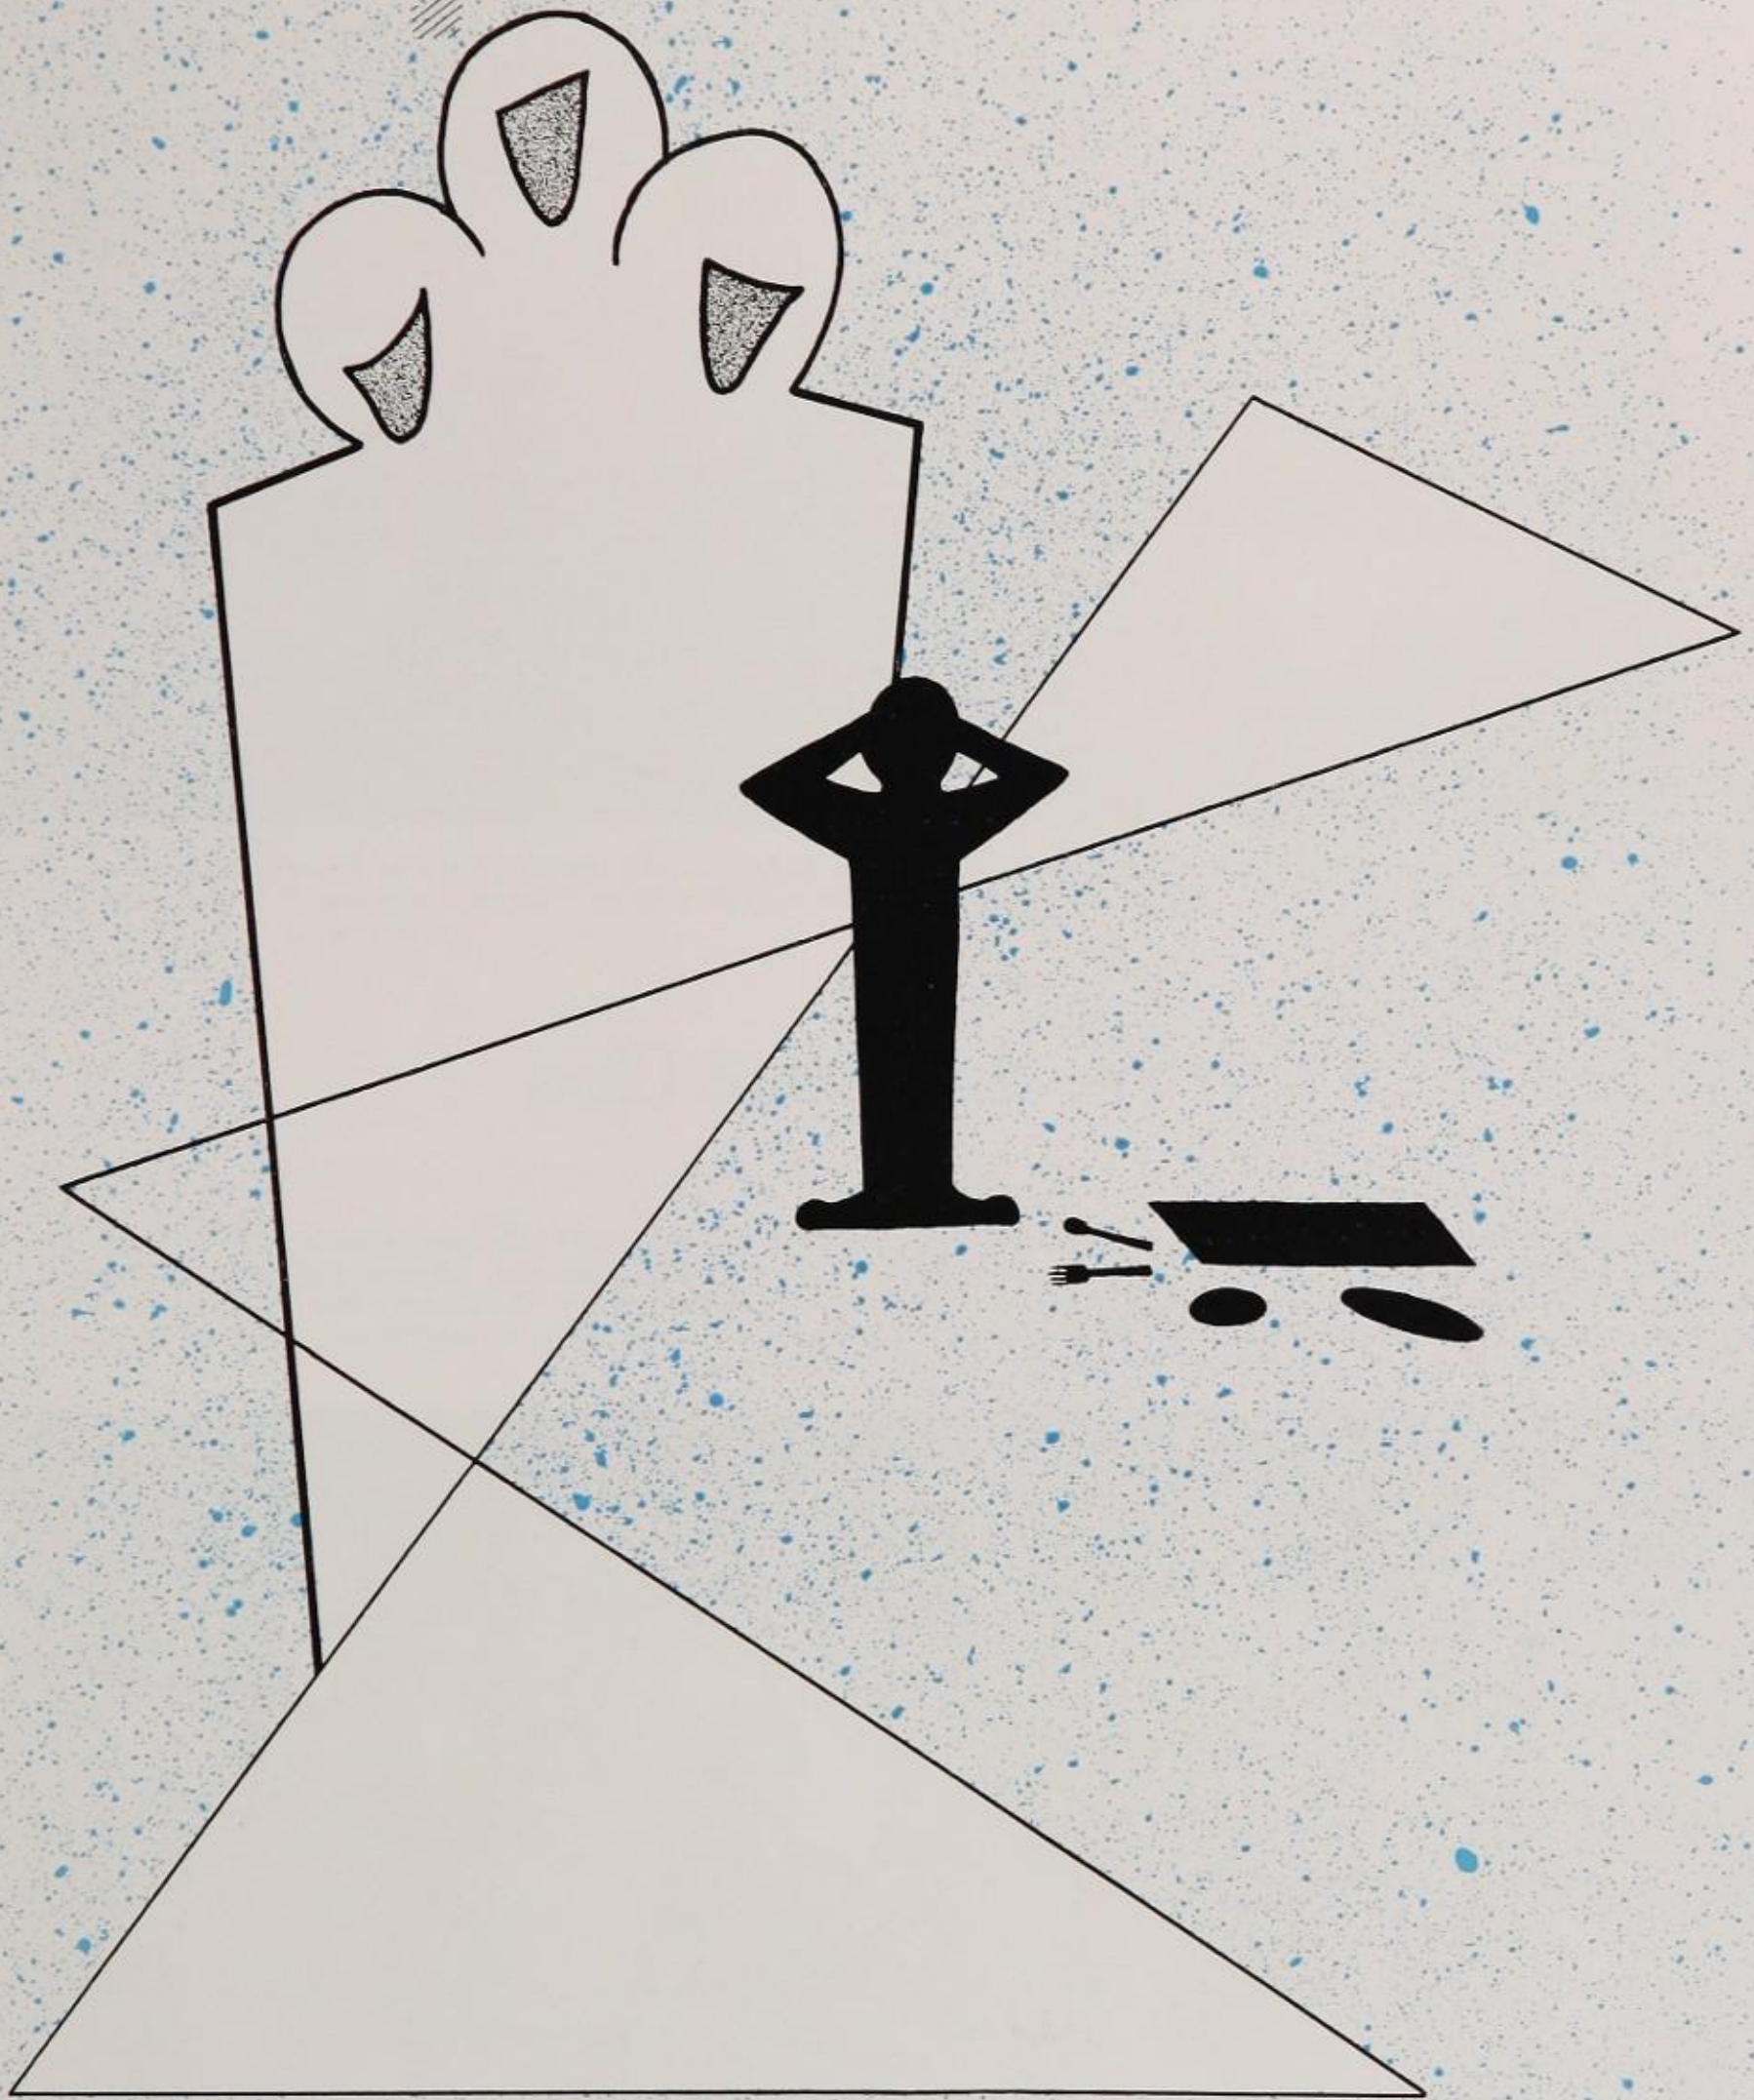

To the sounds of chattering voices and scratching pens excited juniors gather to sum up an eventful year.

As juniors we have treasured both the somber and the joyous sounds of the Shaw Memorial organ.

Sharie Calvert was crowned Sophomore Hamburger Queen by David Manley at the "Hamburger Heaven" in February.

Louise Barham, Glenda Neal, Melanie Puryear, Joyce Holtzinger, Lee Anna Layton, and Berta Williams were football queen attendant candidates to Miss Will Rogers XIX, Donna Polite, at the traditional ball ceremony.

Memories

Our class of 1960 entered Will Rogers High with only 647 sophomores. Like no other class, we will be doubled in number next year because some of us stayed at Bell and Hamilton Junior High Schools.

The first major event this year was the election of our sophomore class officers. After seeing many campaign posters in the halls and rooms, we elected: David Manley, president;

Enrolling is the time for Sophomores to pick up their schedule cards as well as see old friends and meet others.

Kenney Gibson, vice-president; Janice Hutson, secretary; Barbara Welch, treasurer; Carolyn Hewson, student council representative, and Warren Gandall, social chairman.

A very exciting event was the election of Miss Will Rogers XIX and her attendants. The two elected from the sophomore class to attend Queen Donna were Melanie Puryear and Louise Barham.

This year we had two counselors working with our class: Miss Edwina Calhoun and Mr. Ralph Tucker. We are looking forward to their capable guidance for the next two years. Our activity sponsor, Mrs. Bessie Miller, helped us with all class activities.

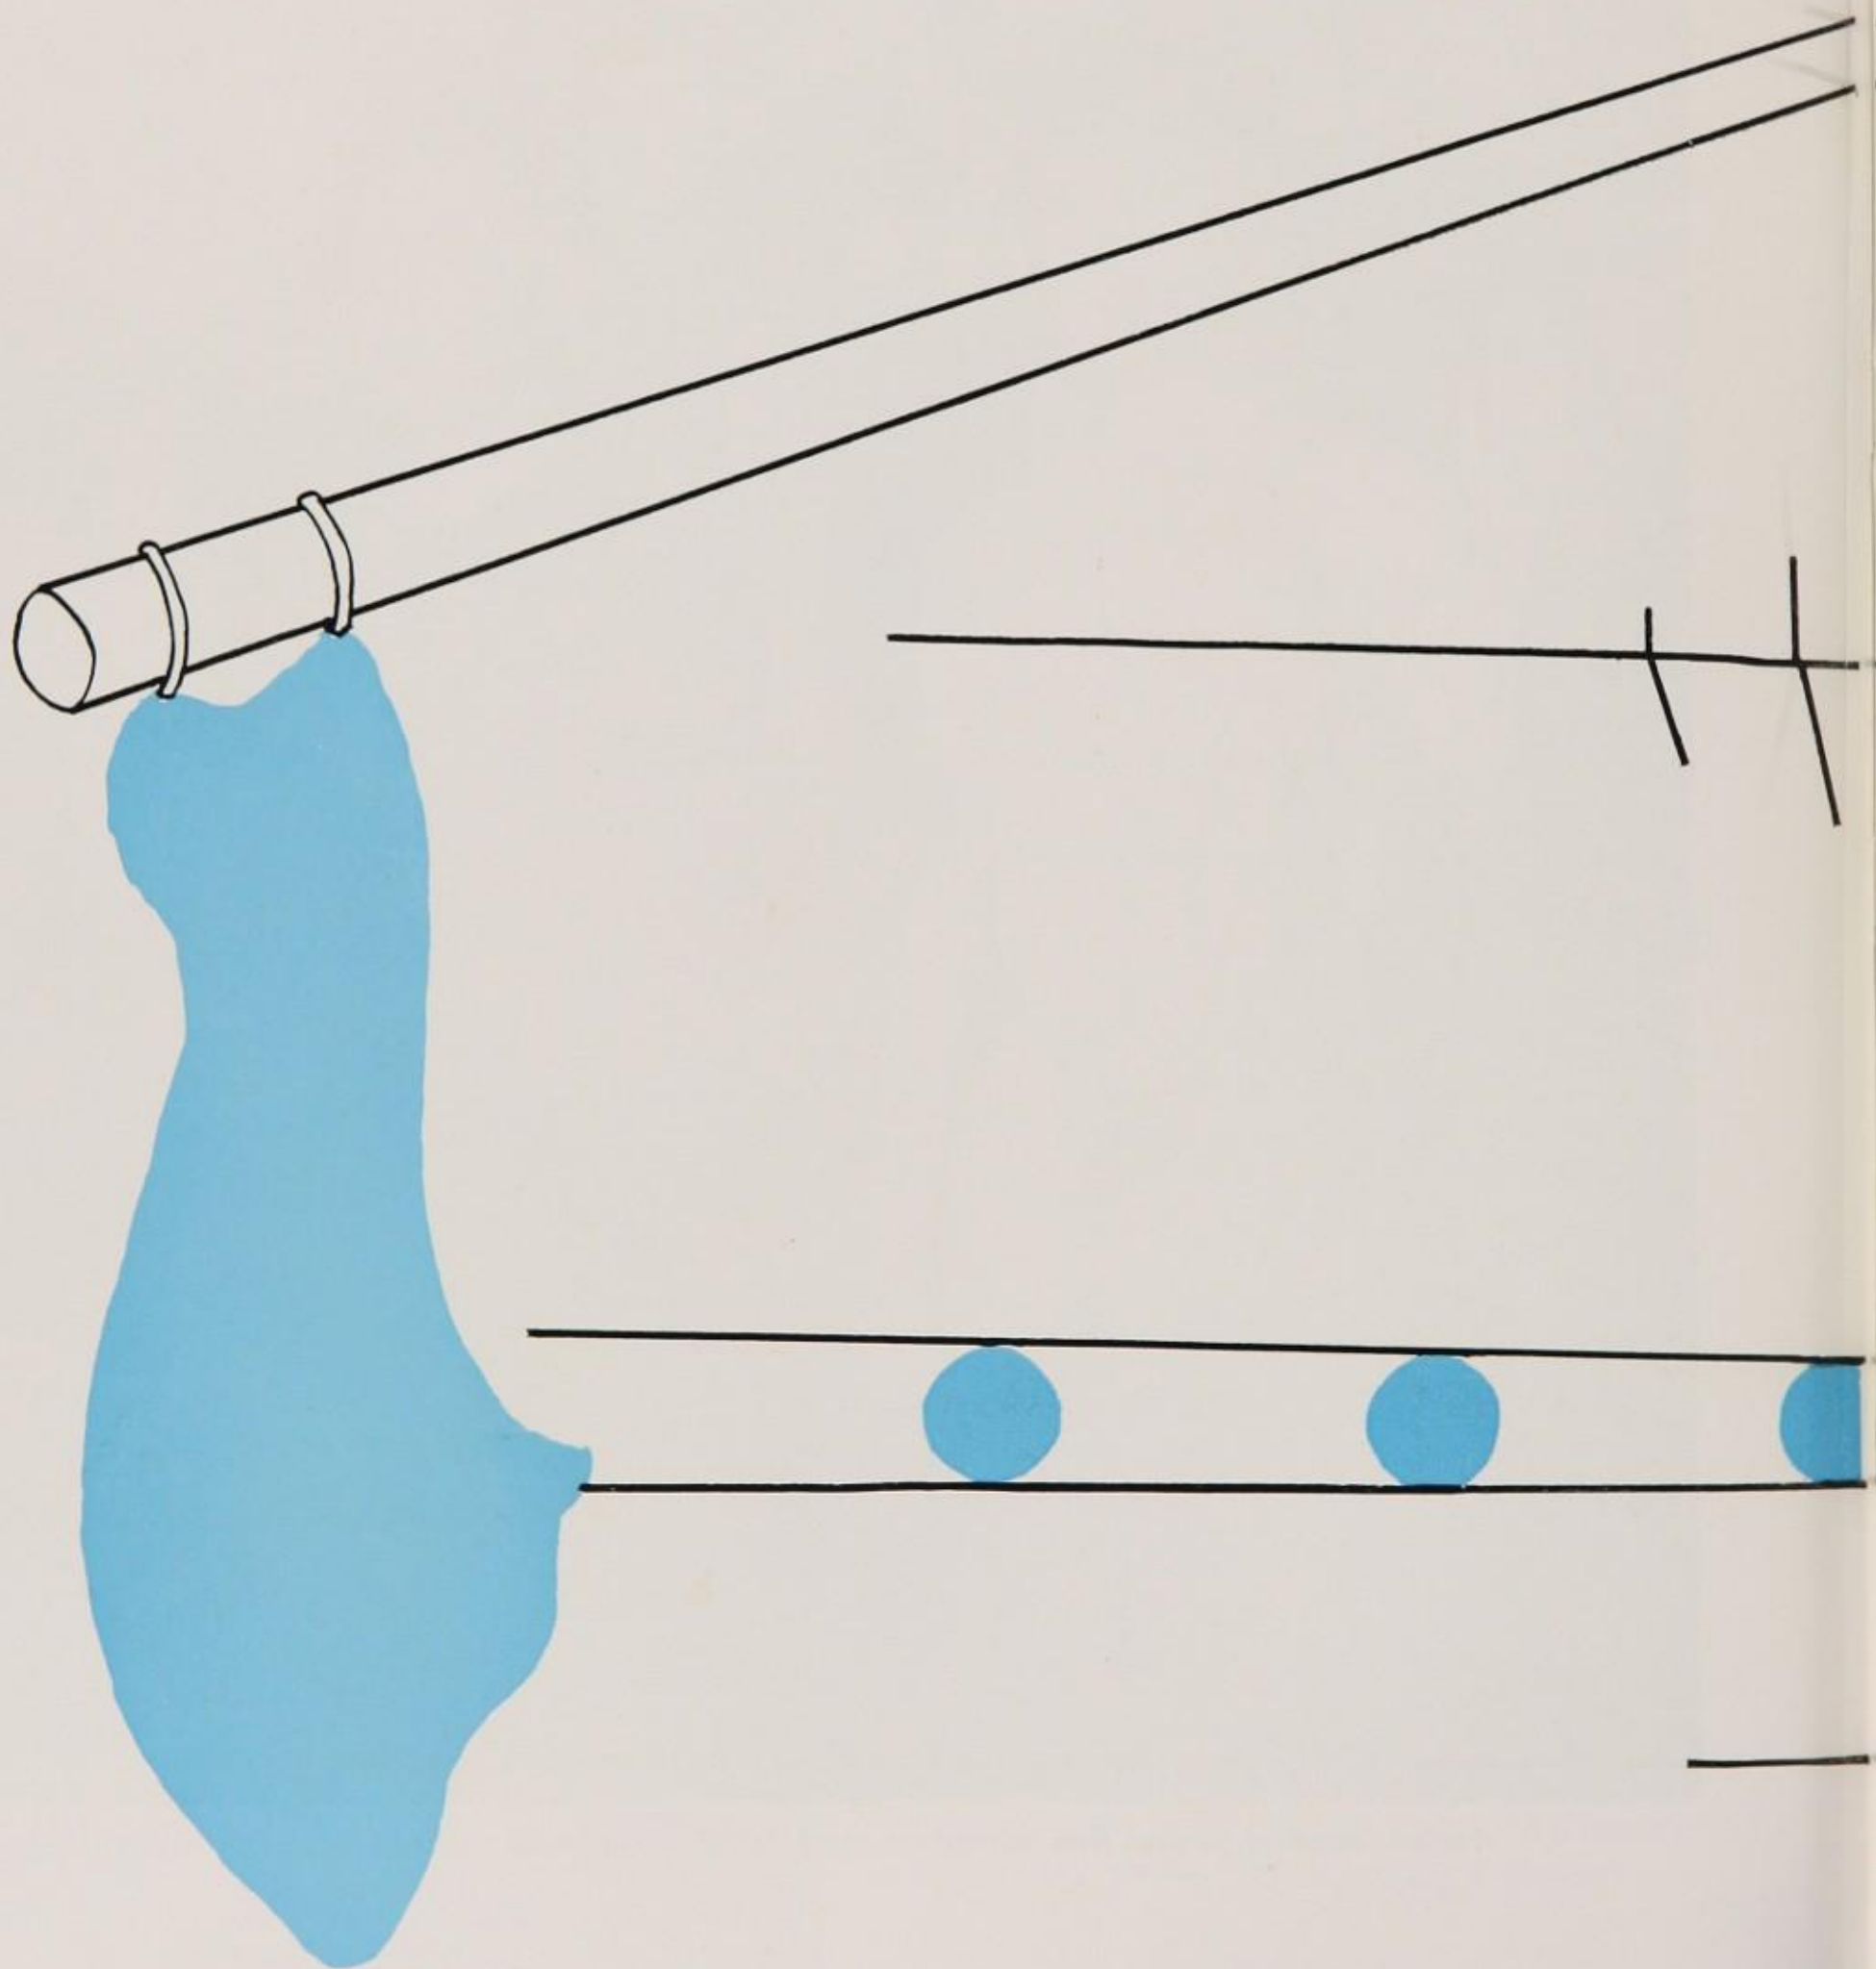

Our first big party was the Hamburger Heaven at which Sharie Calvert was crowned Hamburger Queen. We all had a good time and found that many of our fellow students had much undiscovered talent.

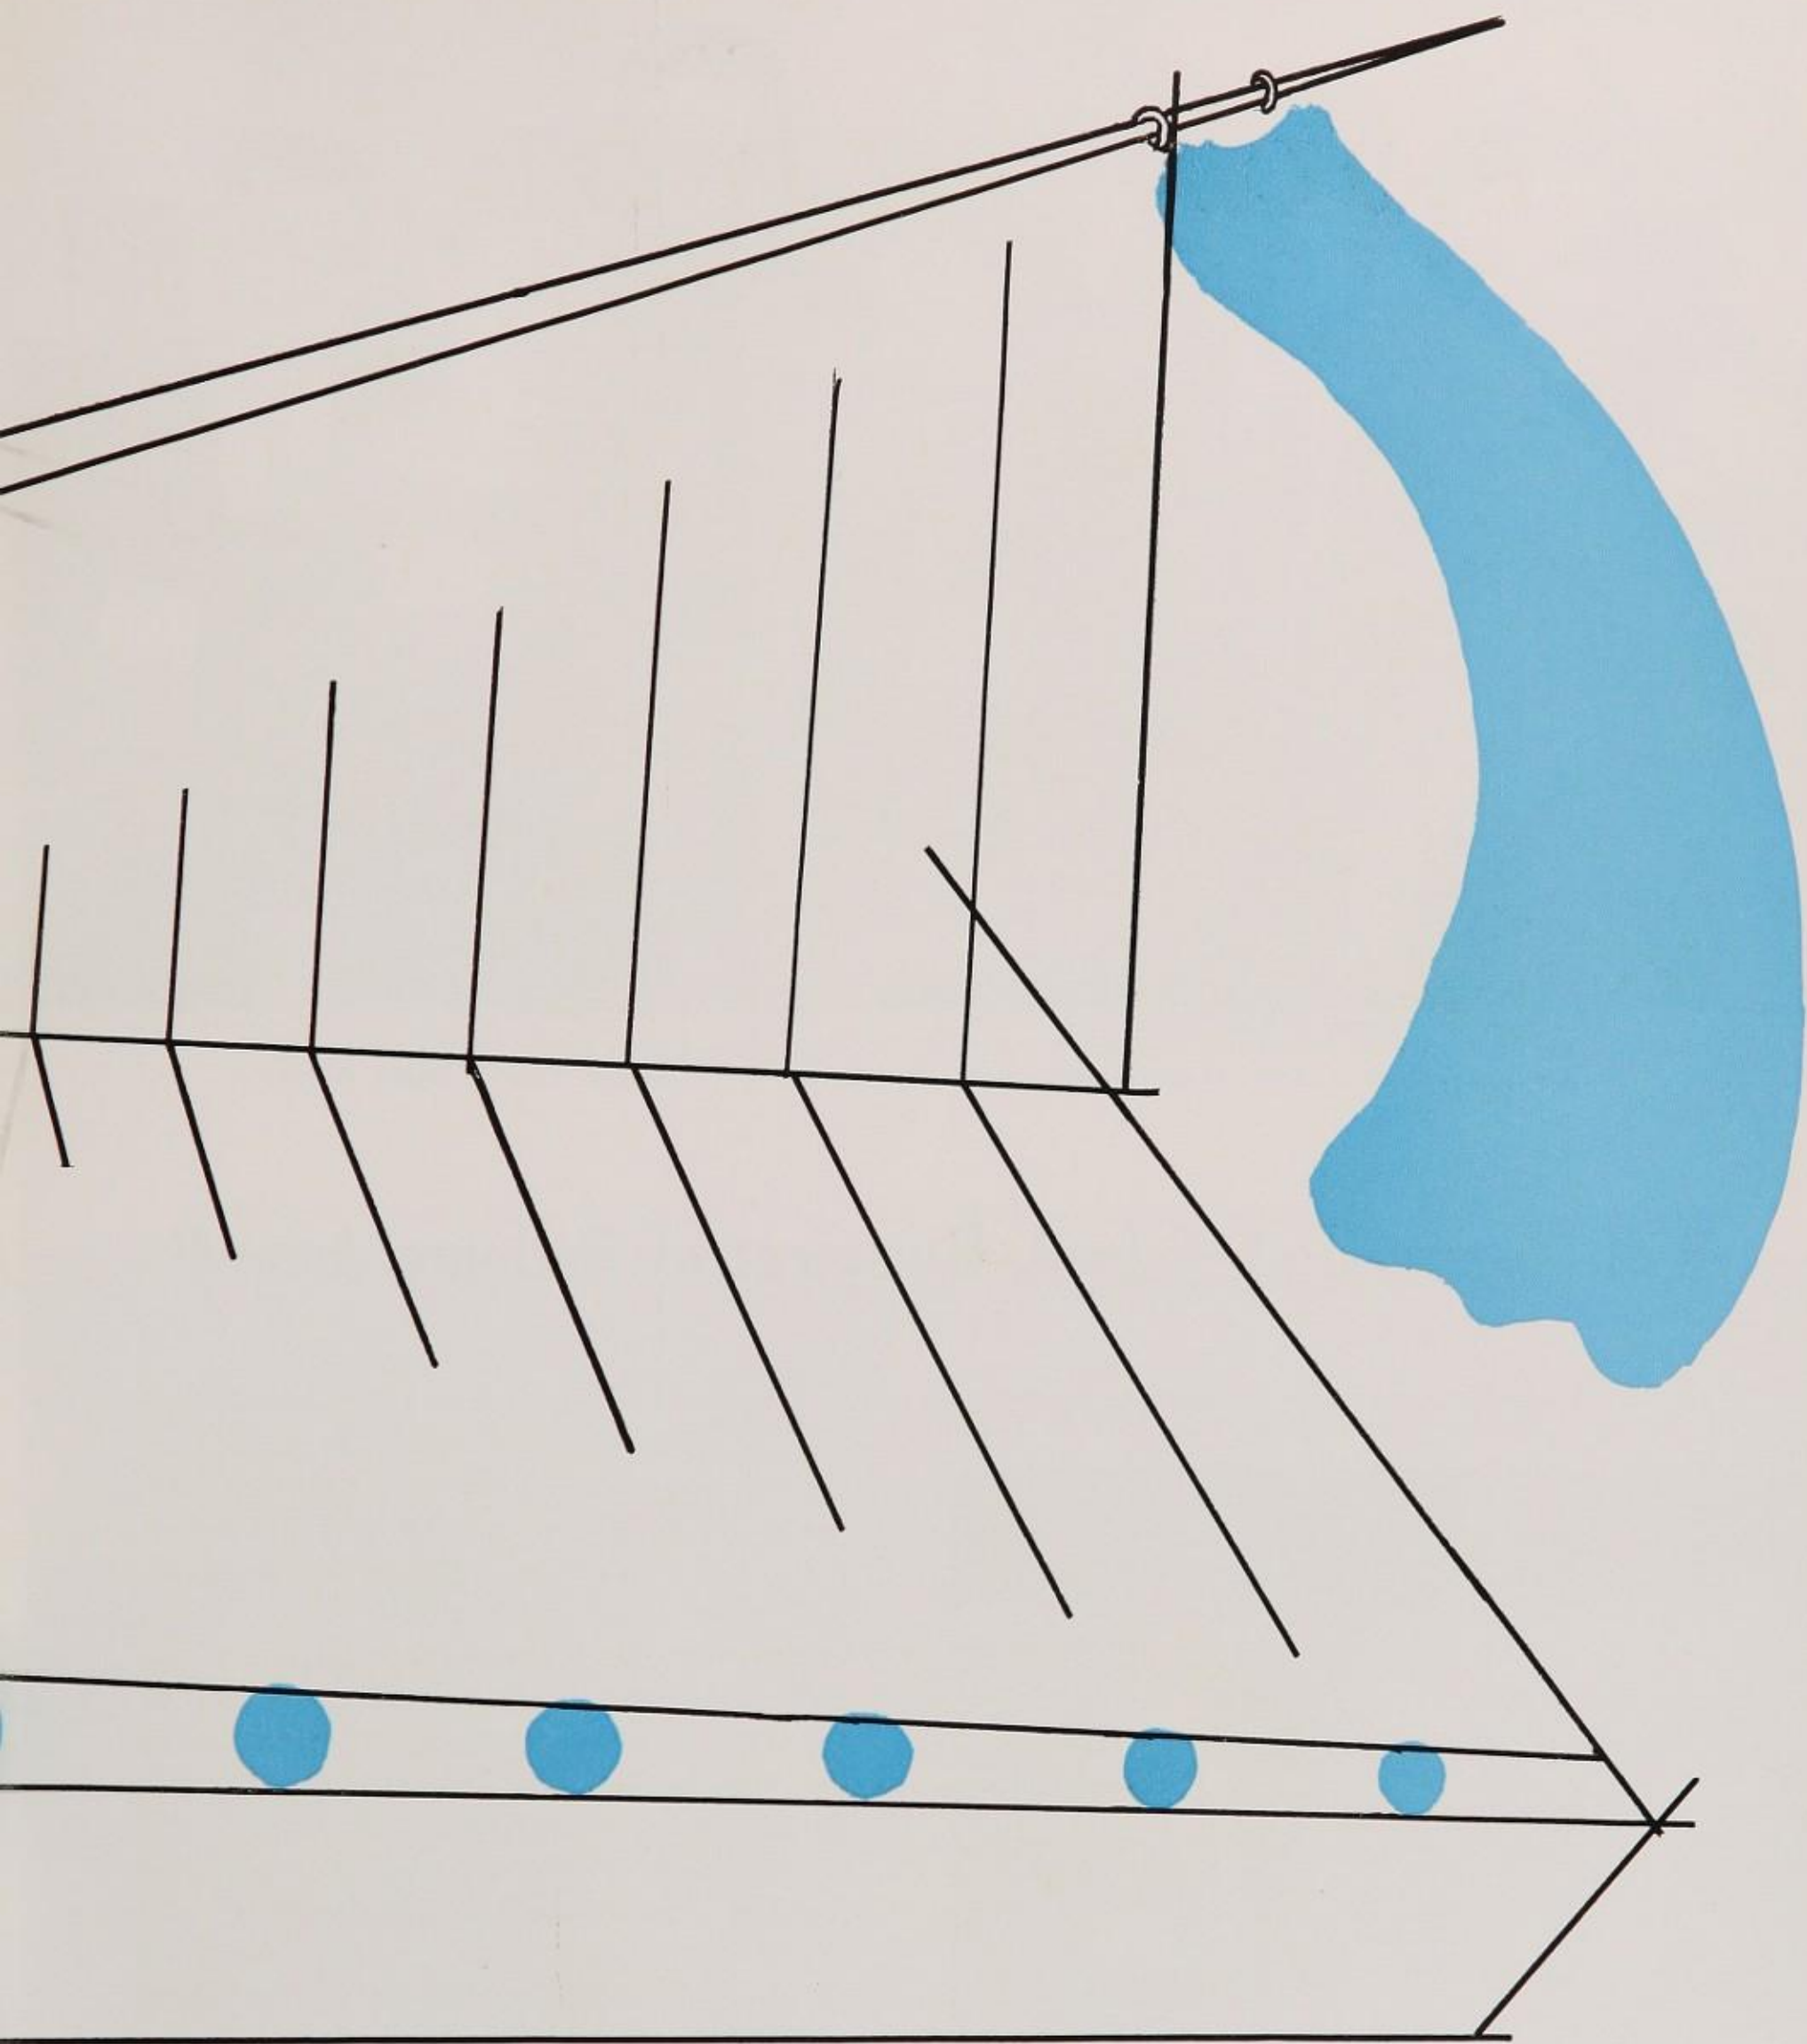

Instead of having a play this year, we had an activity known as the "Soph-o-rama." This night of fun on April 25, 1958, helped to promote class unity and also provided a means of earning money for our class treasury.

Patriotic sounds of '58 came from learning and saying the American's Creed, a school tradition new to sophomores.

Will Rogers High School, Recipient of Bellamy Award!

Stanley Davis, Student Council President, receives Bellamy Award from Miss Margaret Miller, founder of the award.

This year Will Rogers High School was the recipient of the Francis Bellamy Flag Award, presented October 11, 1958, by Miss Margaret Miller, biographer of Francis Bellamy and originator of the award program. The award, a large American flag, is given each year to an honored school of one of the forty-eight states. The school is selected on the basis of the outstanding achievements of the alumni, the citizenship and patriotism taught and practiced within the school, and the leadership displayed by the principal. The purpose of the award is to stimulate patriotism in the schools and to create a firm foundation for good citizenship. Will Rogers High School will represent Oklahoma for the next fifty years as holder of this grand honor.

Highlights of the Year

Dennis Collins, Seattle, presents Stanley Davis with his school yearbook.

Governor Gary, Jim Airrington, and Dr. Mason receive name tags from Miss Hawkins at reception in the library.

The Will Rogers faculty, guests, and speakers for the Bellamy assembly enjoy a reception held in our library by the student council.

Lower, King For A Day, Mis Majesty, Mike Mitchell.

Loyalty Night King and Queen

This year, in order to boost Loyalty Night, the student body decided to select a King and Queen For A Day. They were elected by the number of loyalty night tickets to the Rogers vs. Bartlesville football game sold in their names. The contest lasted a week and the competition was keen with everyone trying to guess who the winners would be. Hundreds of guesses were made and many were happy about their predictions when the winners were finally announced. The King For A Day, Mike Mitchell, and the Queen, JoAnne Shelton, were all smiles when their names were announced over the public address system at the game. They were honored at the game, received a wardrobe from the downtown merchants, and tickets for a show and dinner. JoAnne and Mike reigned all day in school and were allowed to select all their own classes.

King Mike and Queen JoAnne happily display some of the gifts and clothes they received upon winning their respective titles of King and Queen For A Day.

Student Council Who's Who

When school began everyone waited anxiously for the Who's Who committee to start functioning; for they were anxious to see who the selected few would be from this year's outstanding senior class. It is through the co-operation of a special Student Council committee and the art department that a senior student, displaying outstanding traits in leadership and participation in school and extra-curricular activities, is chosen for the honor of Who's Who. One person is chosen every other week of school; a boy one time and a girl the next. Their pictures are drawn and a list of their activities lettered by the art students. The poster is then placed on display in the main hall showcase showing Who's Who in our school. This is an honor envied by many, respected by everyone, and treasured by the ones selected.

A winter touch is added to the Round-Up in the sleigh scene with snow dancers, strollers, and sleigh riders all displaying their talent.

Bells, Belles, and More Bells in Round-Up!

A Jezebel chorus shows precision kicking in their dance.

The Round-Up is an extra-curricular talent production given every year through the efforts and co-operation of the students and faculty of Will Rogers. Any interested student is entitled to apply for the Round-Up Board, which is under the direction of Miss Doris Niles. Members are finally selected on the basis of their ability to contribute to the planning and production of the show. In the fall of the year the Board selects a general theme, and all students are eligible to plan and try out numbers they think will be suitable. The show ran six nights this year, February 24, through March 1. Round-Up, the result of democratic process, provides opportunity for students to develop their unity and loyalty for the school by co-operating for a mutual goal.

Two Balletristic scientists, Sandra Martin and Francis Whittenburg, tell all of their hunting experiences for a brain.

Bells of the keyboard were musically displayed by John Yarrington in his piano solo which showed his talent at its best.

The Will Rogers dance band provided the audience with a variety of interesting music in the "Hell's Bells" scene.

Top: A comical flower girl "bellerina" is portrayed by June Harp. Bottom: Opening dance chorus presents the title of the show as Anita Bryant sings the title song.

Round-Up

The theme of the '58 Round-Up was bells and the title of the show was "B O I N G!". The introduction, this year, was an unusual combination of a bell choir and a mixed chorus which was very inspiring. The show was opened by an original song written for our show by Bob Jarrell, a senior. The Cow Bell scene had everything from contented cows to scarecrows. Mystery was added to the show through the Bell Jar scene with all its mad scientists trying to perfect their inventions. A winter touch was given by the Sleigh Bell scene with its "Gay Blades." Hell's Bells inspired a devilish touch with the dance band and a Jezebel dance chorus. The wedding scene, a take-off on the television show "Bride and Groom," was divided into two parts: the homes of the bride and groom, and the wedding reception. A wedding cake, topped with the bride and groom, were the scenery. Belles in the Belfry displayed beauty with six models and it was followed by the finale.

"Fire Bells" was played by a very lively Fire House combo. Left to right: Ronnie Emmons, David Rutherford, Mike Swaffer, Wesley Johnson, and David Barnett.

JANET JEROME

This year the student body and band decided to elect a band queen by popular vote instead of by ticket sales. We strived to establish a new tradition this year by having the queen and her attendants be seniors. The coronation, conducted by the band officers, was opened with an overture by the band and a fanfare from the trumpets introducing the queen attendants and their escorts. The new queen was presented to the student body, the royal robe was placed on her shoulders by the band captain, and the royal crown and sceptre were presented with appropriate remarks by the captain. In the future, the queen and her attendants will be elected in May from the junior class and she will reign with all appropriate rights and privileges in her senior year.

The final selection for band queen was very difficult. Left to right: Darielle Dunn, Vera Harlan, Janet Jerome, Sandy Martin, Ruth Ryan, Judy Sierer, Anne Mason, Linda Kelley, Judy Hyatt, Wally Faulkner, Anita Bryant.

Fine Achievements Made By School Life

The School Life staff is made up of senior students interested in journalism. They must have the approval of their English teacher, the class counselor, and the School Life sponsor before being admitted to the staff. The duty of the staff is to gather news and to write copy pertaining to activities at Rogers.

Every year five staff members attend Oklahoma University Press Day. In April every

member of the staff may attend Tulsa University Press Day. Individual awards are given, well known speakers are present and workshops are conducted by experts in the news media at this Press Day.

Again this year Tulsa School Life won top honors in the Columbia Scholastic Press Association, a national award.

Problems of Publication Solved by Lariat Board

The Lariat Board is a committee made up of members of the Lariat staff, the commercial art class, the photography department, and the business department. The representatives and sponsors discuss and decide upon various issues of importance concerning publication of the yearbook. Some of the decisions made by the board concern the yearbook cover and design, art work, photography, engraving, printing, binding, and distributing the Lariat.

Students and members of the faculty work together; their aim is to help produce an excellent yearbook. Every student who helps with the publication of a Will Rogers Lariat is rewarded liberally with a feeling of pride and accomplishment.

Excellent Annual Is Goal of Yearbook Staff

The purpose of the Lariat staff is to produce an excellent yearbook, one that the entire student body of Will Rogers will be proud to possess. The staff strives for perfection in the preparation of every part of the book.

The staff is divided into various committees: Faculty and Administration, Highlights, Senior, Junior, Sophomore, Organizations, Ath-

letics, Business Management, and Art Coordination.

A student who wishes to become a member of the Lariat staff must have the approval of his class counselor, the Lariat sponsor, and the recommendation of his English teacher. Being on the Lariat staff is excellent experience for students interested in journalism as a future vocation after graduation.

Artists and Photographers Aid Yearbook Work

An important part of producing the 1958 Lariat was done by the photography department and the commercial art class. The advanced photography class was in charge of taking and developing all of the feature shots, some of the division pages, the opening section, and the athletic photographs. The work was done by students in the school photogra-

phy department, under the supervision of Mr. Pierson Powers.

The commercial art class was responsible for illustrating the Lariat end sheets, the opening section, the division and sub-division pages, and the design of the cover. The artists, supervised by Mr. Hubert Hogue, contributed excellent work for use in the Lariat.

Students Discover Literary Talent

Ropers Review is a literary magazine containing short stories and poems written by the student body. The purpose of the Ropers Review staff is to serve the school, to develop literary judgment, to promote better writing, and to publish the Ropers Review every spring.

English teachers enter exceptionally good papers written by their students to the Ropers Review staff. These papers are judged by the staff according to subject, rhyme, meter, and interest to the student body. The chosen papers are published in the magazine. A member must be recommended by his English teacher.

School Government Regulates Policies

OFFICERS

<i>President</i>	STANLEY DAVIS

<i>Rec. Secretary</i>	LINDA SELLEN
<i>Treasurer</i>	JUDY SIERER
<i>Parliamentarian</i>	LINDA MOBERLY
<i>Board of Control</i>	HELEN CUTLER
<i>Chaplain</i>	CAROL DAVIS
<i>Sponsor</i>	MR. WALTER SCHULTZ

The aim of the Student Council is to serve and improve the school. It is the largest organization in the school, since through it the entire student body is represented.

The Student Council is composed of representatives elected from each home room, each organization, six members-at-large, and the vice-president and Student Council representative from each of the three classes who are elected in the spring for the following year. The president and vice-president are elected by the entire student body. Recording secretary, corresponding secretary, treasurer, board of control representative, parliamentarian, and chaplain are elected by members of the Council. All the members are self-nominated in order to get only those students who are most interested in working on the Student Council.

Behind the work of the Student Council lies an interest in school government and procedure, plus a genuine concern for the students and the policies best suited for our school, Will Rogers. The students, working with their sponsors' and teachers' guidance, strive to use their better judgment to retain the enthusiasm, scholastic record, and good community relations of the school from year to year.

Student Council Seniors—*First row, left to right:* Jemele Sanderson, Vera Harlan, Shirley Sewell, Ann Beard, Doris Holliday, Marcia Garst, Carol Garvin. *Second row:* Linda Sellen, Helen Cutler, Linda Moberly, Georgia Kinnamon, Virginia Rogers, Carol Wall, Nancy Carter. *Third row:* Claudette Reid, Judy Sierer, Connie Pryse, Georgia Sharp, Sue Dunson, Donna Carlson, Fay Chapman, Marilyn Arky. *Fourth row:* Carol Davis, Nancy Wilson, David Guy Gordon, Don Cloyde, Stanley Davis, Carl Steele, Larry Beck.

Student Council Sponsors Committees

The Student Council, sponsored by Mr. Schultz, is the main service organization at Will Rogers. Every home room and most organizations send a member so that every student is represented. The Student Council as a whole is divided into several standing committees, and at various times sponsors special committees to arrange for events affecting the entire student body of our school.

The many standing committees are responsible for publishing the student directory, for organizing the chapel programs, for keeping the campus and halls clean, and for making certain that Rogers is represented at all conferences concerning city, state, and national Student Council organizations. The special committees have charge of such events as victory dances and the Bellamy Award assembly.

Student Council Juniors—*First row, left to right:* Jody Bucko, Pat Robertson, Betty Wagoner, Barbara Mozingo, Sandra Duval. *Second row:* Darlene Happel, Sherry Turner, Janice Pitchford, Judy Ball, Paula LeFan, Beverly Stewart. *Third row:* Danny Flanagan, Jane Barrett, Rosemary Brown, Peggy Terry, Chuck Guinn. *Fourth row:* Dick Risk, Byron Smith, James McKinney, Pat Waddel, Claude Carder, C. Second row: Roberta Scott, Cecile Nesbett, Sue Brase, Larry Sullivan, Larry Baumann. Third row: Brenda Howard, Carolyn Hewson, Mac Hower, Russell Graves. Fourth row: Rex Stith, Ken Smith, Kenny Gibson, Johnny Watson, Steve Black.*

Student Council Sponsors Organizations

No organization at Rogers can announce its meetings on the bulletin, or be written up in the Lariat unless it has been recognized by the Student Council. In this way the quality and value of the organizations at Rogers is kept high.

The Student Council has sponsored two honorary dances this year; the Fantasy Ball, honoring the Band Queen, and the Dance of

the Champs, celebrating Rogers' athletic victories.

In every possible way the Student Council works for good government policies on behalf of the student body and the faculty. The officers, committees, and members of the Student Council help in the smooth operation of Rogers. They serve the school with great efficiency and the utmost loyalty.

Student Council Organizations—*First row, left to right: Kay Protzman, Nelda Haley, Anna Cole. Second row: Darlene Happel, Jane Morris, Barbara Heminger, Margaret Best. Third row: Jim Ellen Thomas, Sandy Arvidson, Darielle Dunn. Fourth row: Patty Parker, Ruth Snuggs, Claude Carder, David Gates.*

Students Assist in Ticket Sales

The Advertising Board is an organization composed of senior, junior, and sophomore representatives. Their purpose is sales collection and distribution of monies and tickets for student activities.

Seniors—*First row, left to right:* Carol Short, Betty Spurlock, Judy Reed, Sue Woods. *Second row:* G. A. The International Understanding Club is a school organization which meets every other Wednesday morning at 8:10. The work of this club is to further the aims and objectives of the "United Nations Educational, Scientific, and Cultural Organization."

The International Understanding Club has adopted and sponsored war orphans, and sponsors many worthwhile drives. At the first of the year it has the opportunity of attending the State U.N.E.S.C.O. Convention. Each year the International Understanding Club sends money to C.A.R.E. and last year they sent school supplies to the Navajo Indians in New Mexico.

The Junior Civitan Club is a service organization consisting of thirty-five boys. The purpose of this club is to promote good citizenship and ideals of service to the school and to the community. The qualifications for membership are good citizenship, at least average grades, application by the individual, and election by the club.

A few activities they have participated in this year are sponsoring vocational information talks on specific vocations of interest to members and raising of money for club activities.

They are looking forward to assisting in eventual lighting of the parking area as well as enlarging the trophy display facilities in the main hall. The Junior Civitan Club was very successful this year in co-sponsoring the organization of a Safety Council in Will Rogers High School.

Boys Serve Community

This boys' service organization is sponsored by the East Side Kiwanis Club of Tulsa and it performs several outstanding school and community services. On the recommendation of the school faculty an equal number of boys from the sophomore, junior, and senior classes are selected for their scholarship and citizenship.

The club has participated in many activities this past year including the Oklahoma Semi-Centennial celebration, providing refreshments at all school dances and parties, and selling cokes at the basketball games. They also helped in the Salvation Army Christmas Fund and the March of Dimes.

Every year an award is given by the club to the most outstanding athlete of the year. Another activity was trying to get a victory bell for the school. Their most exceptional project was the adoption of a state-supported twelve-year-old boy, who is a cerebral palsy victim. The club has furnished him with a special bicycle and other articles.

Serving Classmates Through Books

The thirty-six library assistants' responsibility is to help the librarians in serving the student body and teachers. These library assistants learn to process books for the library shelves. This includes accession, classification, cataloging, and mending books. They prepare bibliographies, assist with research problems, handle circulation of materials, and write out fines and overdue notices. They prepare magazines for use, keep the shelves in good order, and help take care of the needs of the library users.

The Will Rogers students for this service class are chosen by Mrs. Ethel Moore and Miss Ulista Hawkins, on the recommendation of their English teachers. The only actual requirement is having the desire to serve one's fellow classmates and teachers. A student must be willing and able to sacrifice time before and after school, if necessary, to help.

Students Gain Experience in Office Work

The office assistants are a group of students selected by the Guidance Staff to work in the various administration offices. These students are chosen from applications submitted each year. Some of the specific duties of the girls are running errands, filing, typing, and practicing simple office procedure. This organization is especially worthwhile for those students planning to follow secretarial careers.

Some of the girls work in the attendance office. Their work consists of collecting absence slips, alphabetizing and classifying them, and preparing the absentee bulletins. Others assist the school secretaries in the main office. These girls alternate in working on the PBX board. Still others assist members of the Guidance Staff in their offices.

Stagecraft members are boys who have the desire and interest to contribute to the success of school productions. Among their many duties are designing and building scenery and producing lighting and sound effects. The members of stagecraft work diligently preparing for assemblies, class plays, forums, dances, the Aquadette show, and many special programs. This year the organization did outstanding work by excellent staging of the Round-Up and the Junior class play, "Around the World in 80 Days".

Work is often done after school and on weekends; up to four credits toward graduation may be earned in this way. After the maximum amount of credits are earned a member is considered inactive. He is not required to do further work but often continues due to his interest in the type of work and experience gained in stagecraft.

Girls Usher At School Functions

The Usher Corps is a group of about thirty girls who lend assistance at important school functions by ushering, distributing programs, and locating the proper seats in the auditorium quickly and accurately. Sophomore, junior, and senior girls are all eligible for membership in the Usher Corps if they are members of the Dudes pep club.

The girls ushered at the senior play, "*The Great American Family*", the junior play, "*Around the World in Eighty Days*", the Bellamy Award Assembly, Open House, Family Play Night, Round-Up, and various P.T.A. functions.

The girls wear uniforms consisting of navy blue skirts with white blouses and the traditional gold and blue Usher Corps badges.

The Usher Corps meets every Wednesday morning at 8:10 in Miss Bell's classroom, room 415.

Volunteer ticket takers cooperate with the Usher Corps in providing efficient service for patrons of Will Rogers High School at the Round-Up and class plays.

The Will Rogers Allied Youth post was founded this year and received its charter from Mr. Ray Lewis, the national executive secretary, at a special ceremony in the fall. It was established in order to promote through education and recreation wholesome living without the use of alcoholic beverages. The new organization with its more than eighty members is one of the largest in the school; it is open to all Rogers students.

In this its first year, the Rogers Allied Youth post participated in many community service projects and held several social events. Early in the year the group held an after-football game dance; later the post served the PTA Family Night dinners and chose delegates to the Southwest Conference of Allied Youth which was held in Fort Worth, Texas.

Boys Exercise Powers of Concentration

Among the numerous organizations at Will Rogers is a newly organized interest group, the Chess Club. The club provides a social atmosphere for those students interested in learning and playing chess.

The winner of matches played within the club to determine the club's champion was Barton Perrine, a senior. The Chess Club participated in separate matches with other schools of Tulsa.

The club proved to be outstanding by defeating Edison's previously unbeaten three-year Chess Club with a score of $3\frac{1}{2}$ to $1\frac{1}{2}$.

In the City Chess Meet the high school chess trophy was taken by a member of the Rogers Chess Club, Tommy Seymour. To climax their first year, the members of the club sponsored an inter-school tournament. They invited Thomas Edison, Central, Booker T. Washington, and Daniel Webster High Schools to take part.

A summer activity sponsored by the club is the holding of matches for the interested members.

The purpose of the art club is to further the advancement of art by sponsoring activities and exhibits. Displays of art in the school were emphasized this year and the club is responsible for arranging material in the display case in the main hall.

Any student enrolled in Will Rogers High School may work toward becoming a member of the club. Each prospective member must earn not less than ten points. Points may be earned by participating in various activities including visits to places of art interest, work on Round-Up, work on the Lariat, art work in the community, and working on Who's Who posters.

Special activities during the year included many sketch trips and membership campaign parties, which were sponsored by Mrs. Bateholts and Mr. Hogue.

Parlez-Vous Francais?

"Do you speak French?" This is a common phrase asked of the French Club members. *Les Miserables*, the French club, holds its meetings twice a month during first period, and the meetings are conducted entirely in French. These meetings consist of games, stories, songs, and plays. The present club is the successor of the *Les Elites Club*.

One of the outstanding programs was the presentation of the life of Miss Erminie Elms, the sponsor, which was presented in a parody of the television program, "This is Your Life".

The members of this club try to more fully understand the use of the French language and to become better acquainted with French people and their customs. In order to become a member of the French Club, a student must be enrolled in the second year French class. Practically every member of the French Club has a French correspondent, enabling him to become better acquainted with the customs, ideas, and language of the youth of France.

Membership in the Distributive Education Club is open to all who are enrolled in the distributive education course. The club strives to promote worthwhile educational and social experiences for its thirty members as well as to develop closer ties between the members, their co-ordinator, and their employers.

The DE program for the year began with a Bosses' Breakfast and Initiation Service, which was attended by DE members, their employers, and special guests. Another highlight of its year was the coronation in February of its queen, Marsha Cheek, attended by Ola Dare Stephens. Later, at the state DE convention, the Rogers club was chosen the outstanding DE club in Oklahoma; Virginia Gattis was elected state secretary, and Mrs. Carolyn Comfort was named the outstanding DE co-ordinator for the year.

Students Practice Trades While Attending School

The Will Rogers Trade and Industry Club is an organization designed to provide help and understanding in the problems of employment and education. It began in 1952 with Charter No. 57 of the Trade and Industry Clubs of Oklahoma. Membership is open to those enrolled in the Diversified Occupations program and employed as student trainees in occupations requiring two thousand hours minimum training. The club, which has more than twenty-five members, emphasizes good employer-employee relations.

The Trade and Industry Club initiation, which centered around the symbolic blue and white gear-wheel, was held in conjunction with the club from Webster High School. This year the club members made several field trips to industries in the Tulsa area to increase their knowledge of business and held a banquet for their employers.

The Future Homemakers of America Club of Will Rogers High School promotes interest in better living by encouraging and training its members, through varied and special programs, to become better family members themselves. Any girl with an interest in homemaking enrolled at Will Rogers High School is eligible to become a member of the club and may attend the meetings which are held every Friday morning.

Last fall the girls helped with the installation of the officers for the Future Homemakers Club at Central High School. The weekly meeting programs consist of having special speakers in different areas of homemaking. These have proved to be very interesting to the members and the club has made great advancement since its beginning.

Teaching Professions Ahead

The members of the Future Teachers' Club of Will Rogers High School have many examples of excellent teachers from which they may learn. The club's purpose is to sustain and promote interest in the teaching profession. The Jean Rousseau Club, the local chapter, is associated with the national Future Teachers of America organization.

Membership is open to all students who have an interest in the teaching profession; who are outstanding in scholarship and citizenship; and who possess the high qualities which a teacher must have. Through this organization one may associate with others who are planning to teach and may learn many things about educational requirements, teachers' problems, salary possibilities, and other important information which future teachers should know.

The members are naturally curious to learn about all aspects of classroom teaching, so their programs are set up to meet this goal. Among their activities and parties was an attendance contest between the seniors and under-classmen. The club had teaching games which proved educational and entertaining. Members of the club also attended the Future Teachers' State Convention in April.

The program of the Future Nurses of America has helped many girls in deciding if they really wanted to be nurses and what specific field of nursing they would like to enter. Those who show enough interest to come to three meetings consecutively are considered members. Within the activities of the group the girls find quite informative field trips to both Hillcrest Medical Center and Saint John's Hospital, and to the State Mental Hospital in Vinita.

As a part of their activities this past year Future Nurses filled a Thanksgiving basket for a needy family, adopted a family and furnished the family's Christmas, and made stuffed animals for some hospitals. Perhaps their most exceptional project was the purchasing of records for the blind. The girls of FNA wound up their year by attending the Future Nurses' State Convention.

Interested Students Learn of Medicine

The Will Rogers Medical Club is an interest organization whose main purpose is to give students interested in any phase of medicine an opportunity to learn more about the field of medicine. The only qualifications for membership are that an applicant must be a student at Will Rogers High School and be interested in the field of medicine.

Members study the vocations of doctors, dentists, lab technicians, x-ray technicians, and pharmacists. At weekly meetings a member of the medical profession, usually a specialist, speaks to the club about his field.

The club sponsors field trips to the local hospitals, to the Oklahoma University Medical School, and to the Oklahoma Medical Research Center in Oklahoma City. Social functions are also an important part of the schedule. Available exclusively to club members are distinctive pins which signify membership in this active organization.

The Will Rogers Medical Club was organized in the fall of 1955. It is a new and dynamic organization sponsored by the science department. Dues are \$1.00 per year.

The Will Rogers Science Club is open to all students of this school who are interested in the various fields of science. It strives to promote interest in science and science careers among its members by presenting programs designed to educate and entertain and by conducting field trips to various industries in the Tulsa area. In this, its third year, the Science Club increased its membership to more than twenty.

Speakers from the many branches of science were featured at the bi-monthly meetings. In their lectures, they spoke of the activities and responsibilities of their careers and of the educational requirements of these occupations. Also included in their talks were summaries of the latest developments in their respective fields. Other Science Club programs were composed of discussions and demonstrations given by club members.

Radio Enthusiasts Practice Skills

The Radio Club is a group of approximately fifteen boys who display an avid interest in radio technique. It is a service and interest club sponsored by Mr. W. H. Sanders, member of the Will Rogers faculty.

The only qualifications for membership are that the boys must be students at Will Rogers High School and display sufficient interest.

The main purpose of the organization is to assist in Civil Defense work. It is also a hobby for these interested boys. This year they studied for tests to receive their licenses to become "ham" operators. The group also went on some weekend outings this past spring.

Projects completed this year include supplying a music system for the cafeteria, establishing three radio stations at school, and presenting demonstrations of radios in classes and on a special assembly during March.

Students Gain Skills in Printing

The printing department at Will Rogers was started in the fall of 1956. Our school is the only high school in Tulsa that offers offset and letter press printing. The shop has a modern, complete offset department consisting of a 14x17 Robertson 17" camera, two offset presses, a complete darkroom, and a vacuum frame for making plates. There are also two hand-fed platen presses and various assort-

ments of type faces to complete the equipment.

The purpose of the organization is to give students an opportunity to gain skills in printing so they may be better prepared to get jobs in the printing industry. Some of the duties of the vocational printing class include printing the Ropers' Review, tickets for school activities, posters, programs, desk pads, letterheads, and athletic schedules for the school.

Thespian Troupe 1167 of Will Rogers has stimulated interest in the dramatic arts program of the school. Some of its members have been recognized for their work in presenting the play, "Seeds of Suspicion," and the Christmas play, "The Perfect Carol."

Members are accepted into the club by a system of points set by the national organization of Thespians. Points may be earned by participating in plays as well as attending plays, excelling in speech class, making contributions to related arts such as dance and music, and participating in Round-Up and similar activities.

One of the goals of the troupe this year was to present plays to raise money for sending delegates to the National Convention of Thespians. Another activity was producing a Thespian scrapbook, initiated by the club this year.

Musicians Specialize in Dance Music

The Metronomes is the unique organization of a swing band at Will Rogers. This dance band provides further training for students specifically interested in participating in a dance band and learning popular swing music.

The members of the band are chosen by their citizenship, scholarship, and by tryouts of their musical ability. Consideration is taken of their ability in getting along with others while working as a team.

The Metonomes played at most of the school sponsored dances, including the junior dance, victory dances after football games, the Fantasy Ball honoring the Band Queen, and the Dance of the Champs, to celebrate our team's victories.

In the Round-Up the Metronomes were featured in the "Hell's Bells" scene, where they played "Night Train" and "Heat Wave." The band also accompanied several other numbers in the same scene. On the assembly of March 6, 1958, the swing band played several popular selections.

Concert Band 1957-58

The Concert Band is a music service organization for the student interested in fine concert performance by a band. Students who participate are advanced in musicianship, excellent in citizenship, and have a good scholastic rating.

The band has played for football games, assemblies, pep rallies, basketball games, community, civic, and school programs. The band also has marched in six parades, including the Will Rogers' Day Parade at Claremore.

The band's spring concert, which has become an annual affair, helps send promising students to a summer music camp in Gunnison, Colorado, for fun and training.

Orchestra Presents Annual Spring Concert

The Will Rogers High School Orchestra is an instrumental music class offered by the school curriculum as an extremely educational music group for advanced student musicians interested in orchestral work. The musically-minded students of this class must be outstanding in advanced musical achievement, citizenship, and have a good scholastic rating. These students must also be able to adjust to thinking and acting as a team while playing their instruments in the orchestra class.

The approximately sixty-five potential professional musicians have played for many civic and community programs. These activities have made Will Rogers recognized as having one of the outstanding high school orchestras.

This year the orchestra participated in the Tulsa all-city "Messiah" orchestra, and it provided accompaniment for the junior play. Most of the time the orchestra alternates with the band and organ in playing for the opening exercises in the weekly assemblies. The orchestra's activities include the presentation of musical accompaniment for the Round-Up.

The A Cappella Choir of Will Rogers High School is designed to further study and understanding of music. The members of this vocal group are chosen after showing a desirable excellence in voice and the ability to read music.

Members of the Choir were selected to go to the Oklahoma State University for the Choral Festival. They also participated in several school assemblies, one of which was their annual Choir program.

Every year the Choir has taken a vocal program to several junior high schools of Tulsa to promote a greater interest in music.

The Choir started a new monthly feature of having a periodical talent show. Different members worked up the shows each month which were presented in class.

Choir Sings at Vespers

The A Cappella Choir is the music organization for seniors. Among their many responsible activities was singing in the religious Christmas program, "The Perfect Carol." On the Easter Vespers they presented a program of religious songs. Another religious and inspiring service the Choir performed at Will Rogers was the singing of carols during the Christmas season.

One of the most taken-for-granted services the A Cappella Choir performs for the school is the "Amen" Response given every week in assembly. Another activity which proves to be entertaining to the members of the Choir is their annual picnic.

The A Cappella Choir is one of the most important vocal music organizations in the High School of Will Rogers. The members enjoy music and the part they play in the school's program of education and entertainment.

With Nancy Holloway at the piano, Ginger Winget directs the members of the Choir in preparation for a performance.

Choraliers is another vocal music organization which provides juniors with an experience in choral singing. The purpose of the class is to better prepare the group for participation in the A Cappella Choir.

The group took part in the Oklahoma State University Choral Festival and participated in the epilogue of the junior class play. They also took part in the All-City "Messiah" and they presented their own assembly on March 28, 1958.

The main purposes of this organization, besides preparation for the A Cappella Choir, are to train the students' voices, to study and to learn good choral literature, and to make public appearances. All the students have had previous choral training, and they all display abundant talent.

Choraliers—*First row, left to right:* Nelda Haley, Barbara Mozingo, Gayle Groff, Pat Kearney, Peggy Terry, Mary Lee Holloway, Kaye Thayer, Jeanne Kerby, Evelyn Gilbert. *Second row:* Sharon Roe, Linda Allen, Paula Hughes, Barbara Ivy, Judy Blazer, Beverly Stewart, Betty Wagoner, Mary Bingham, Jane Morris, Marcina Savage. *Third row:* Ann Mullen, Beth Abdo, Judy Duck, June London, Suzan Gray, Edy Barker, Janell Worthington, Barbara Young, Paula Parker. *Fourth row:* Ronald Chambers, Dan Thomas, James McKinney, Richard Cooper, Charles Campbell, Earl Gene Criswell, Rex Stith, Gary McCool, Larry Baumann.

Students Receive Musical Training

The Choraliers presented the Amen Response in the Easter Assembly this year. Their most notable achievement of the year was the presentation of the assembly program on March 28, 1958. The theme of this show was "The Record Shop." It consisted of specialty and chorus numbers. For this presentation they had a student teacher from Tulsa University, Mr. Roller.

This year the Choraliers sent three of their members to Oklahoma University to the State Choral Festival. These students were James McKinney, Gary McCool, and Sandra Peters. The boys and girls also present a talent show each month during their class period.

Pat Kearney, George Hughes, Gary McCool, and Ronald Eden demonstrate their musical ability in Choraliers class.

LassO's is the first vocal music organization which many of the girls enter as Sophomores at Will Rogers High School. This musically inclined class specializes in the training of the individual voices of these sophomore girls. It provides the girls with an experience in the sight-reading of music and preparation for more advanced vocal music organizations in Will Rogers High School.

Some of the members of this sophomore vocal organization participated in the talent show for the sophomore class, called Soph-a-Rama. These girls sang "Feudin', Fussin', and Fightin'" and "Tennessee Wig-Walk." Their performance here was one that will be well remembered.

LassO's

The sophomore girls of the LassO's vocal organization of Will Rogers High School have learned a great deal in their class periods through the study of improving their own voices, of the different types of vocal music, and they have begun to prepare themselves for further study in the vocal field. As a part of their classroom projects, they had talent shows about once every month which were presented by different members of the LassO's class.

On a regular school assembly during the spring, this group of sophomore girls presented two vocal numbers which were "Praise Ye The Lord," and "The Snow God." This gave the girls the valuable experience of performing in front of a large audience.

Rhythm Ropers is a girls' vocal chorus which is open to sophomores, and to juniors and seniors who are taking a high school course in vocal music for the first time. Rhythm Ropers was established three years ago as the first, mixed, sophomore chorus in the Tulsa Public Schools, and has since become an all girls organization. It strives to provide musical experiences for its members, to develop good singing voices, to teach the fundamentals of music, to prepare its members for participation in other vocal music groups, and to train accompanists.

To qualify for membership in the organization applicants must be interested in singing, must have had previous musical experience, and must be approved by the director.

Rhythm Ropers Give Service

The members of Rhythm Ropers place special emphasis on giving community service by performing before various civic groups. As part of this project the group sang for the Faculty Women's Club at the University of Tulsa, and a triple trio from the organization performed at the Christmas luncheon honoring the School Board. Another special part of the Rhythm Ropers' program is that of entertaining the student body at assemblies. This year the chorus took part in the Thanksgiving Assembly and in the Sophomore Talent Assembly. One of the Rhythm Ropers' major activities was attending the fall Choral Festival at Oklahoma State University.

Music fills the air as Rhythm Ropers follow their conductor, Mrs. Stewart, in a typical warm-up exercise.

The ten Will Rogers varsity cheerleaders, named each spring by a student body election, promote school spirit and good sportsmanship at all school athletic events and train the pep squad in school yells. Aside from their regular duties the cheerleaders, who took third place in the fall Cheerleaders' Clinic held in Norman, sold "Beat the Braves" ribbons and sponsored the "Ugly Man" Contest which was won by Don Eddy. In the spring, the cheerleaders conducted a training program for those who aspired to be 1958-59 cheerleaders.

The four runners-up in the cheerleader elections served as "B" squad cheerleaders.

The Modern Dance Club is an athletic organization whose main purpose is to promote interest and provide an opportunity for learning and performing. The only qualifications for membership in this organization are an interest and regular attendance at weekly meetings which are held usually every Tuesday evening after school.

The girls further their knowledge in grace, poise, and creative ability. This year they have danced for the P.T.A. Open House in January and at the Aquadette Water Ballet Show in April.

The club was organized about four years ago. It is closely affiliated with the gym classes. Girls learn modern dancing in their gym classes, but they can gain further practice and learning through the Modern Dance Club.

Girls Practice Swimming Skills

Those girls who are interested in water ballet and synchronized swimming should join Aquadettes. Aquadettes is an organization open to all girls with swimming ability and a desire to learn synchronized swimming skills. The girls tryout with a series of stunts and strokes before three judges. Upon admission to the club they are placed into one of three groups according to their ability.

The club held performances for Alexander Graham Bell Junior High School, Horace Mann Junior High School, and the Y.M.C.A. They also performed at Family Night, and other P.T.A. functions. Their big show was the annual pageant held in April. This year the theme of the water ballet was "Mommies, Mammies, and Mummies". On December 7, 1957, eleven members of the Aquadette Club attended the first annual Swim Clinic at Oklahoma University. The club provides an opportunity for additional learning and public performance in the sport of swimming.

The Girls Recreation Association is an interest organization which gives girls at Will Rogers High School an opportunity for recreation through activity in sports of all types. To become a member a girl must have a desire to join, and pay dues of 25c per semester.

They may enjoy such activities as basketball, volleyball, table tennis, tennis, golf, swimming (both synchronized and recreational), archery, modern dance, over-night hikes, and play-days in addition to other recreational fellowship. Special merit points are given for participation in each of the activities and a Will Rogers High School letter may be earned by girls in this manner. This organization is open to girls interested in a sports-centered recreation activity.

The Will Rogers football team opened the season by taking home their fourth consecutive All-City crown. This was accomplished by defeating Webster 12-0, and edging Central on a penetration. Rogers opened conference play with a win over Webster on Jerry Tomlinson's three touchdowns. Final score: Rogers, 26-Webster, 0.

After Central won a defensive battle, 6-0, the Ropers dropped Okmulgee. Ron MacDiarmid's 29-yard touchdown highlighted the action packed game.

Straight All-City Title

A mid-season slump hurt as the Ropers lost three games in a row. Edison won a close one with a field goal in the closing minutes. Muskogee took advantage of the breaks to defeat the Ropers. When Sapulpa defeated us, 25-0, that was the last game Rogers was to lose.

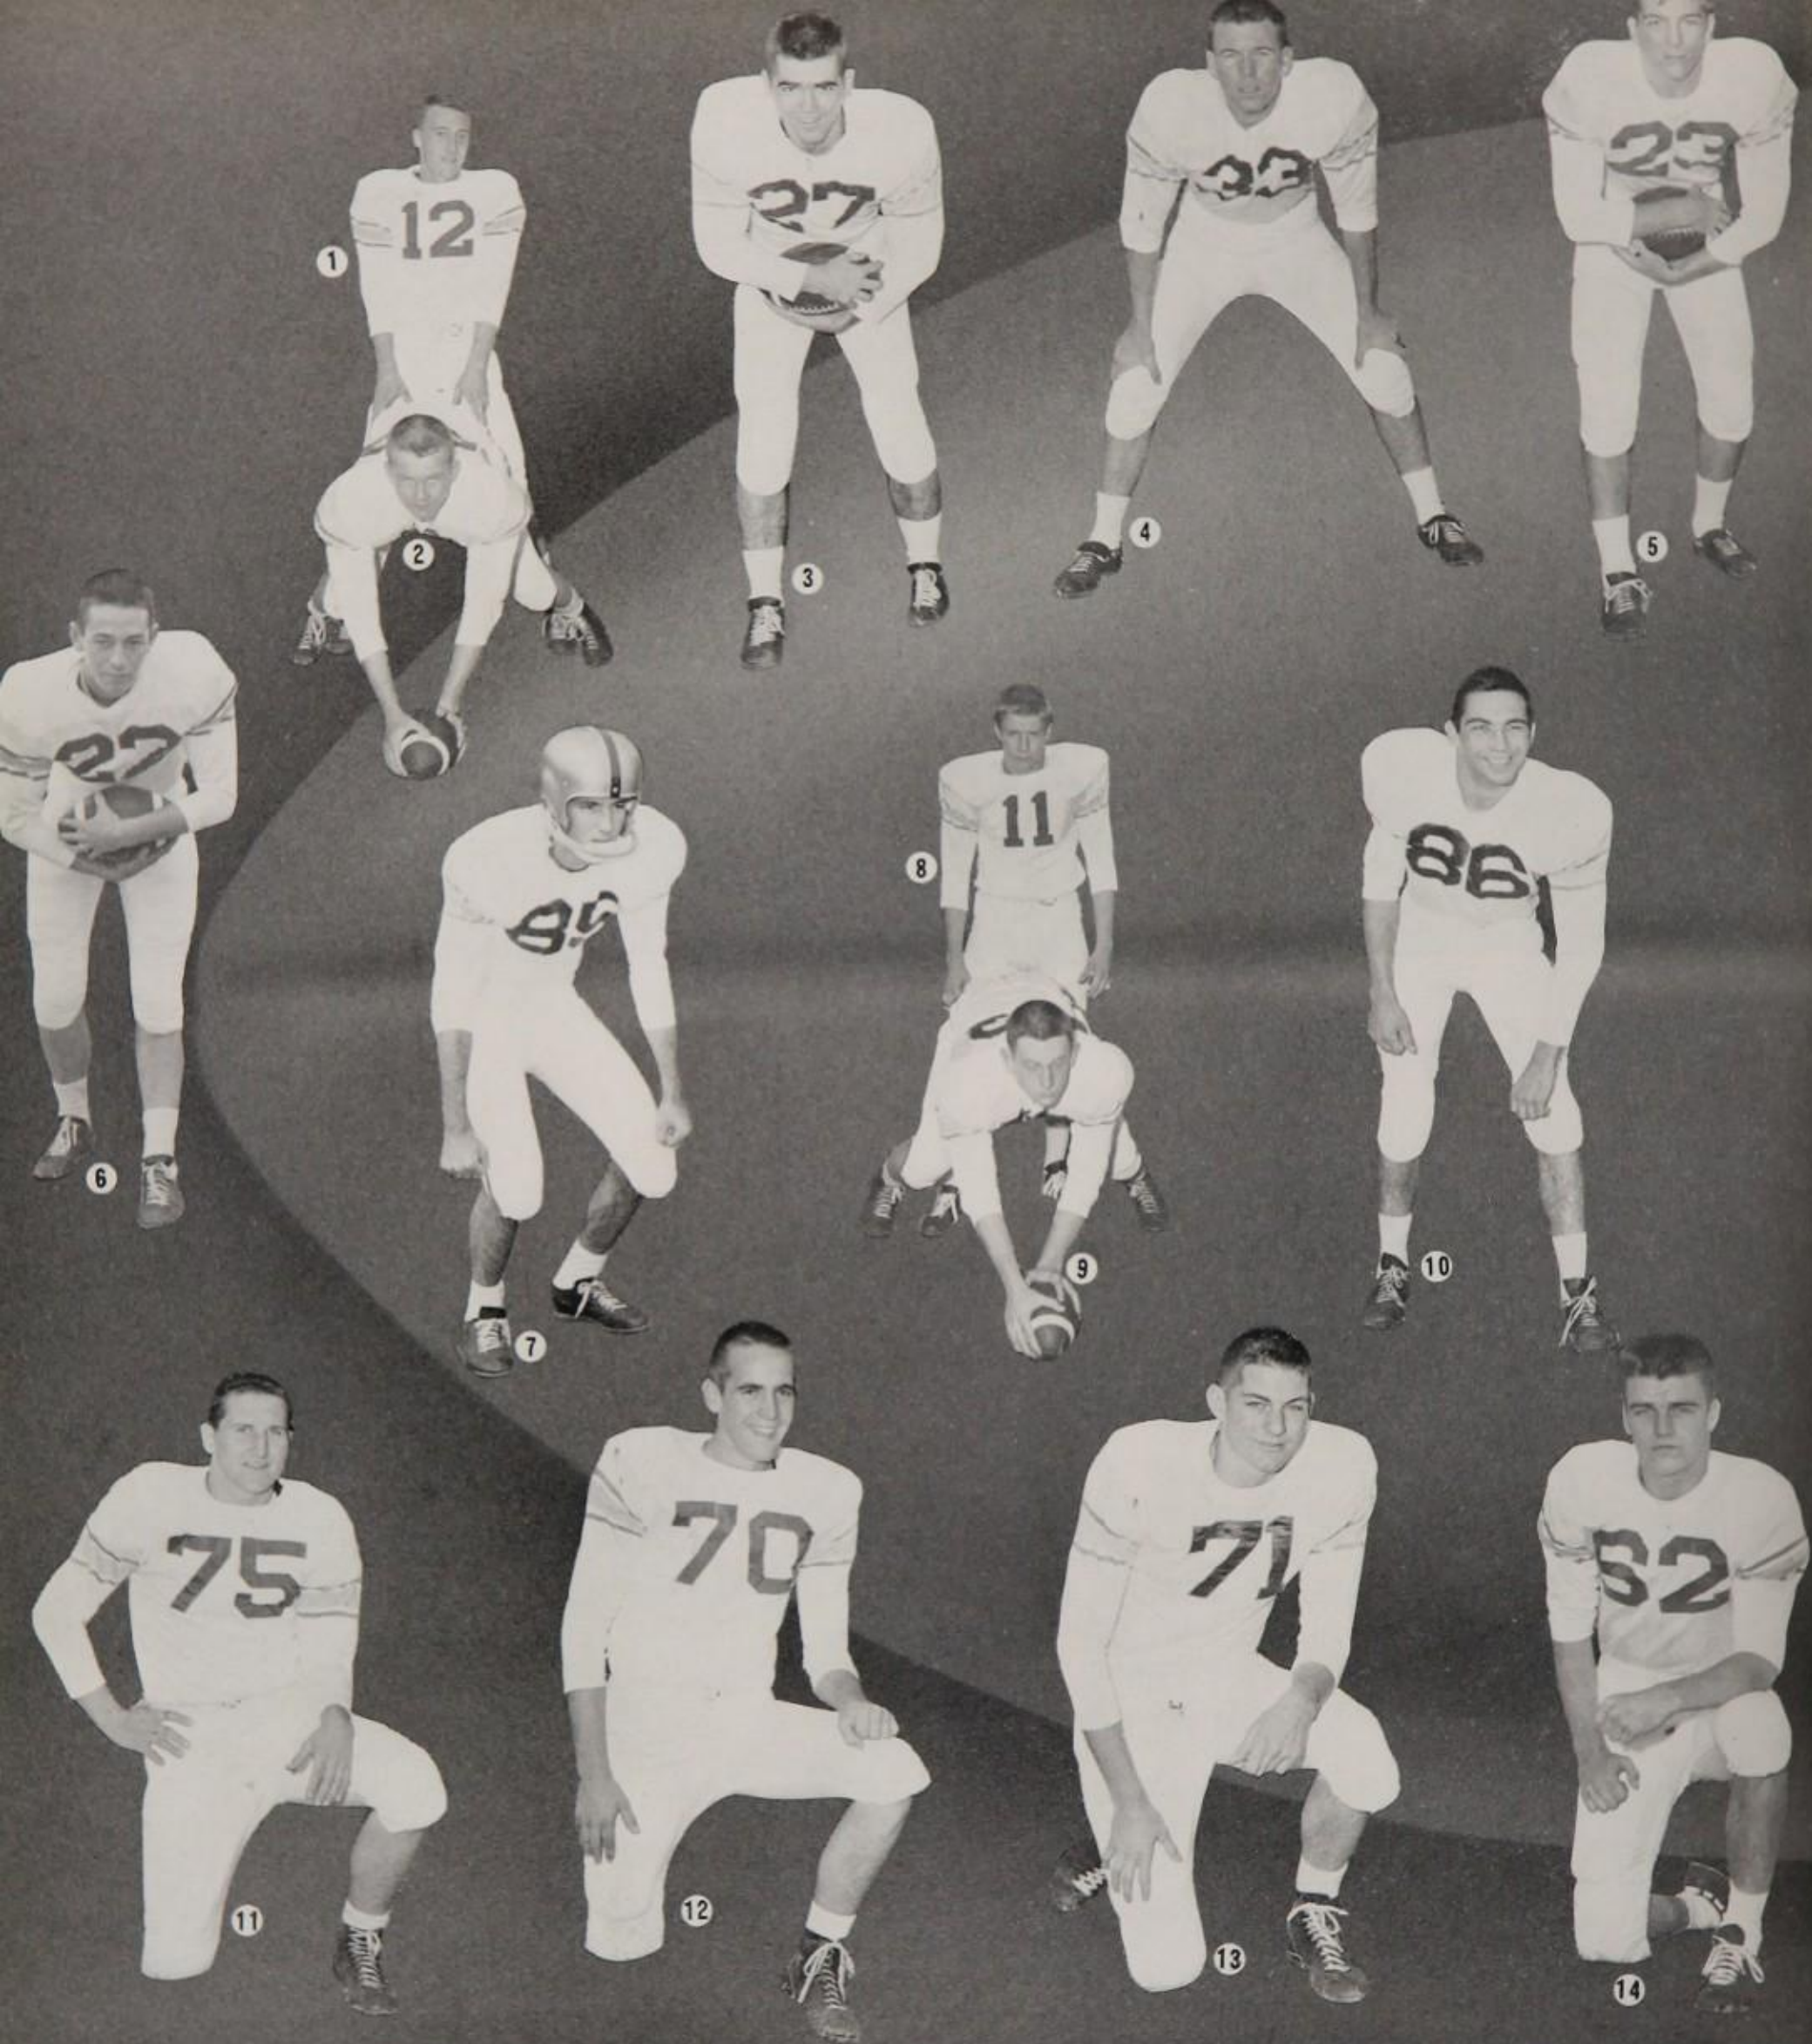

The Ropers broke their slump when they stomped Sand Springs, 31-0. Playing a good defensive game, they blocked three punts, two of which were run back for touchdowns. Bill Barnes' timely passes and Don Eddy's defensive plays were highlights of the game.

David James led the Roper attack against Bartlesville with three touchdowns and passed for the other one, as Rogers trounced the 'Cats,' 25-7, while Larry Johnston and others played a fine defensive game.

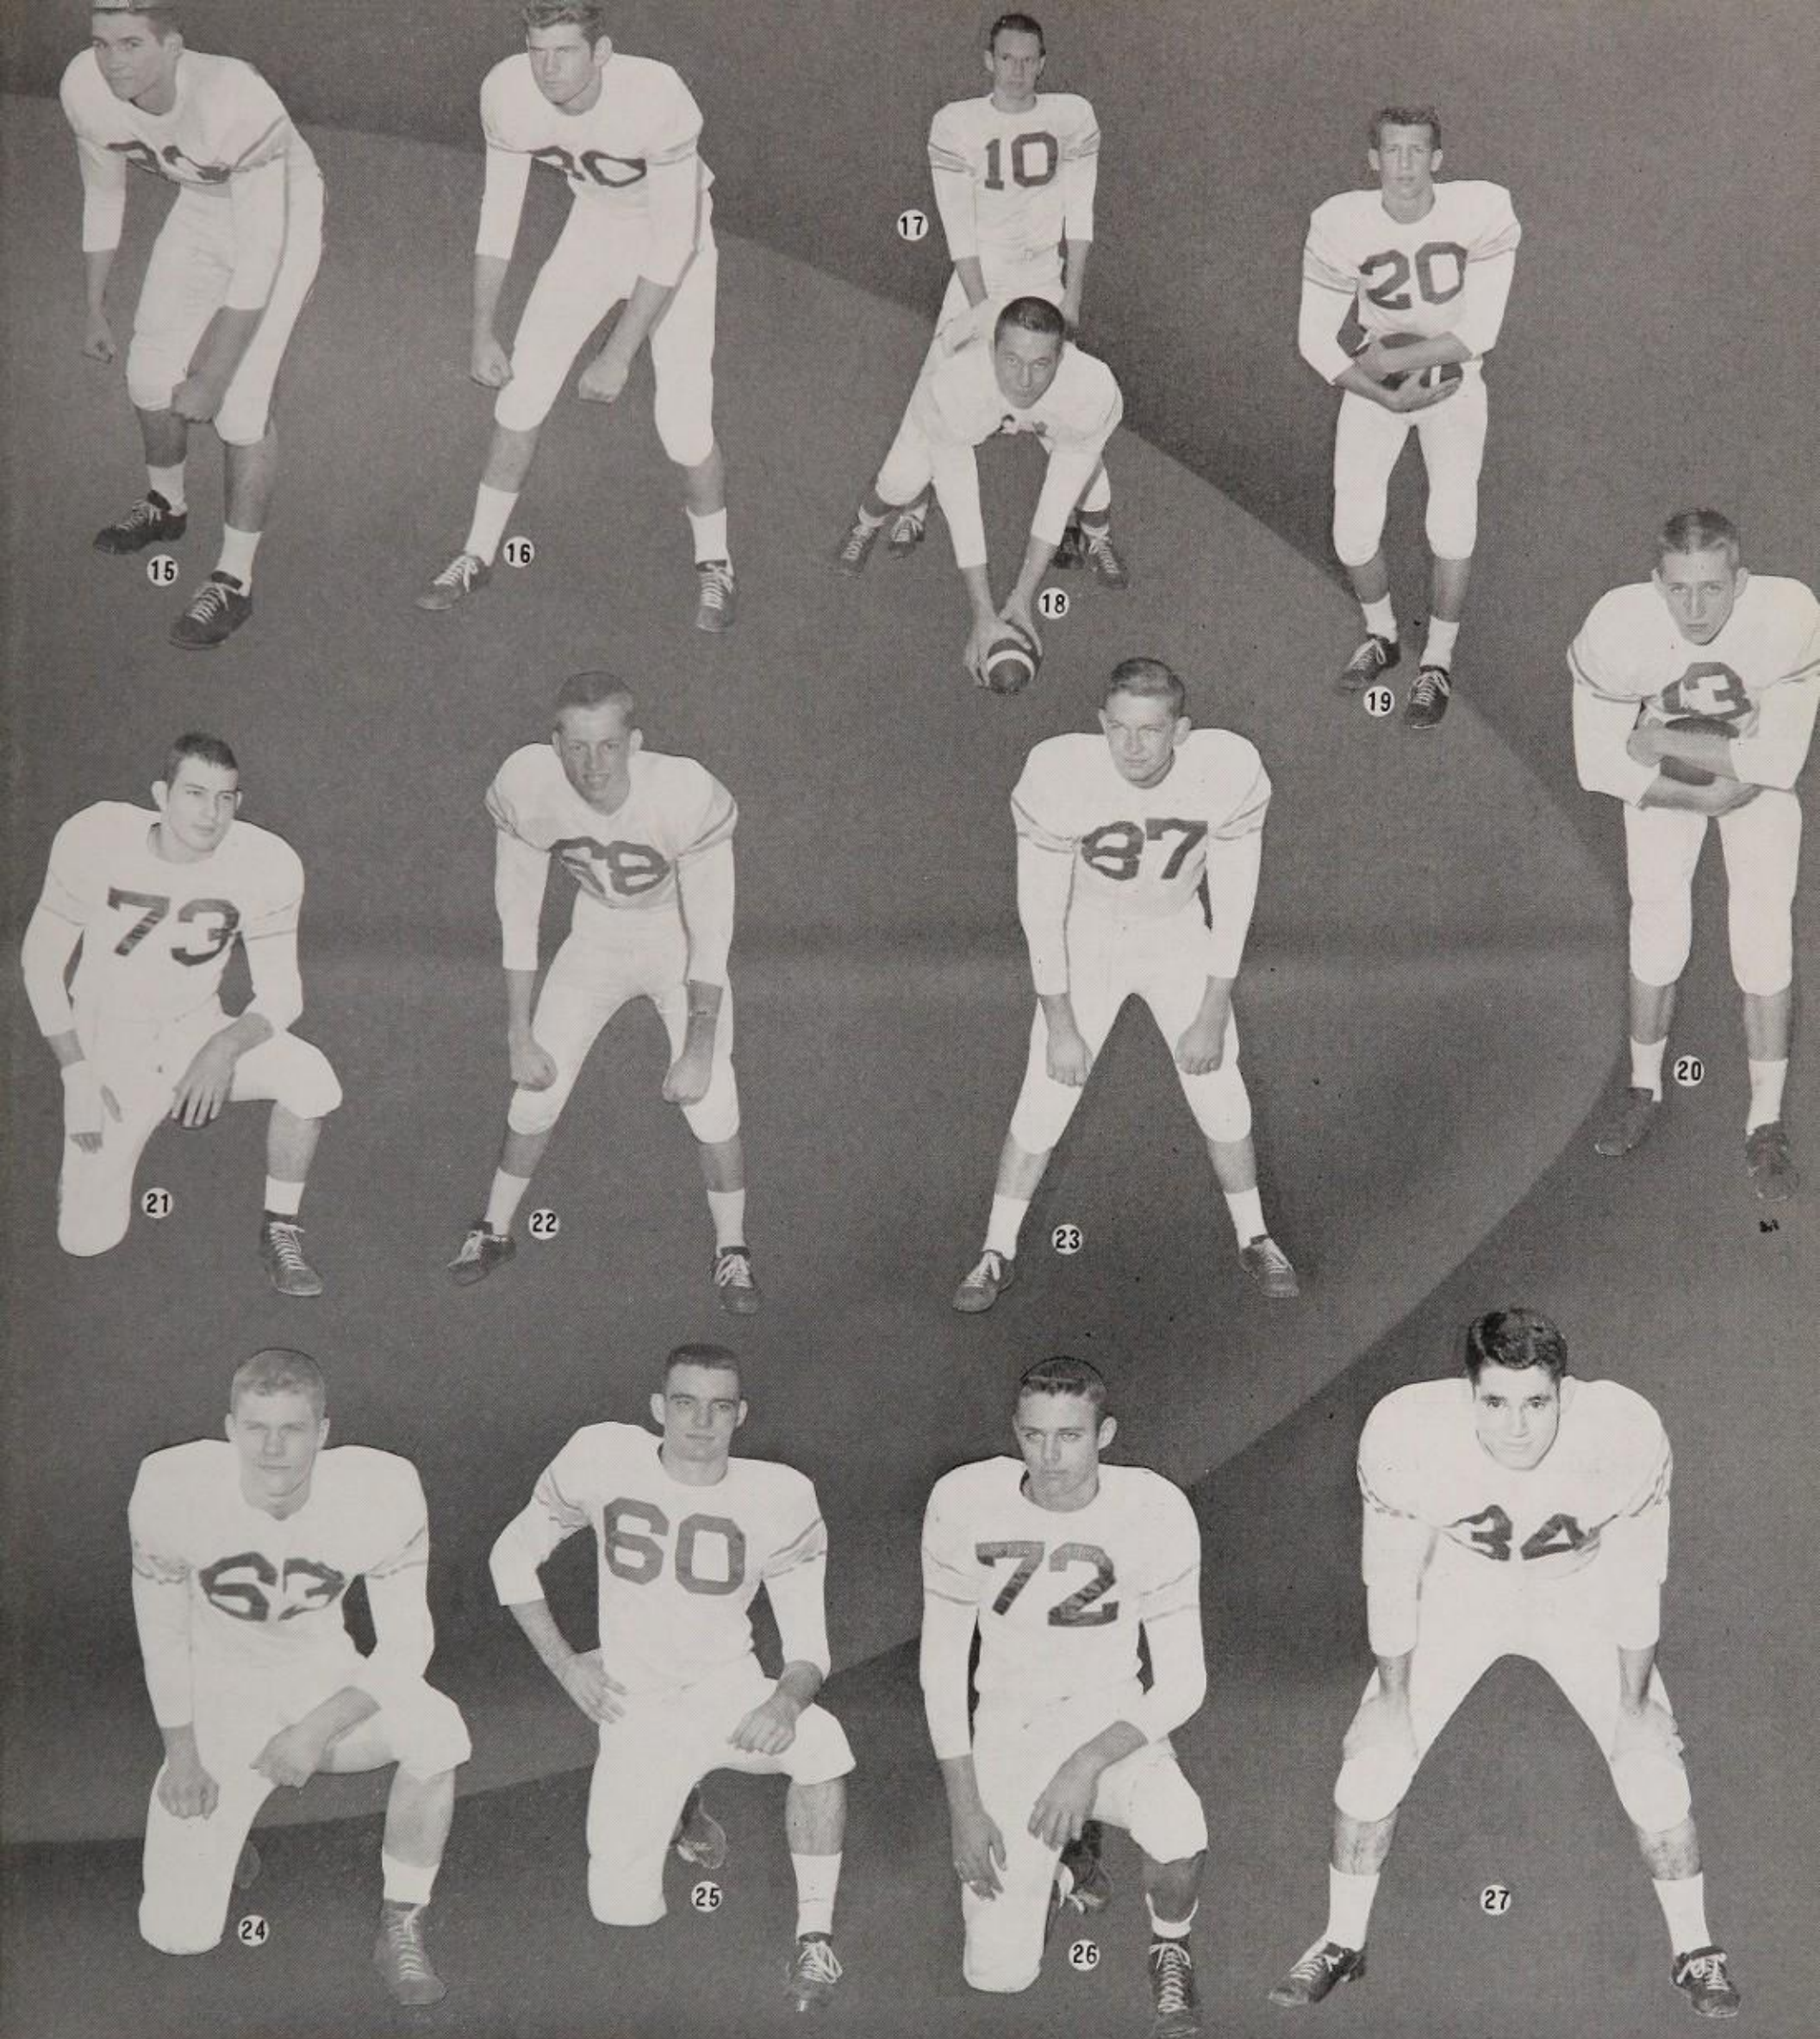

A lot of tradition depended on the last game as the Ropers had to win to maintain the record of always having a winning season. Rogers upheld the tradition by scoring more points against Washington than any other team all season. Final score: 32-0.

Jerry Tomlinson (23) scores against Webster in the All-City game.

'B' Gridders Post Most Successful Season

This year was the most successful on record for a Rogers "B" squad football team. Out of ten games played the Ropers won six, lost three, and tied one. The B's were successful in defeating their arch rivals, Central, in both encounters. In the two battles with Bartlesville Rogers was defeated the first time, but held them to a tie in the second meeting. In their first game with Muskogee the Ropers were smothered 14 to 9, but in their second onslaught the Ropers tasted revenge with a 33 to 20 score.

Roundballers Capture State Championship

Within the last three years the Roper basketball team, coached by Woody West, has played seventy-eight conference games. Sixty-six of the games were won by this fighting team, while only twelve were lost. Also in the past three years the Ropers have won three

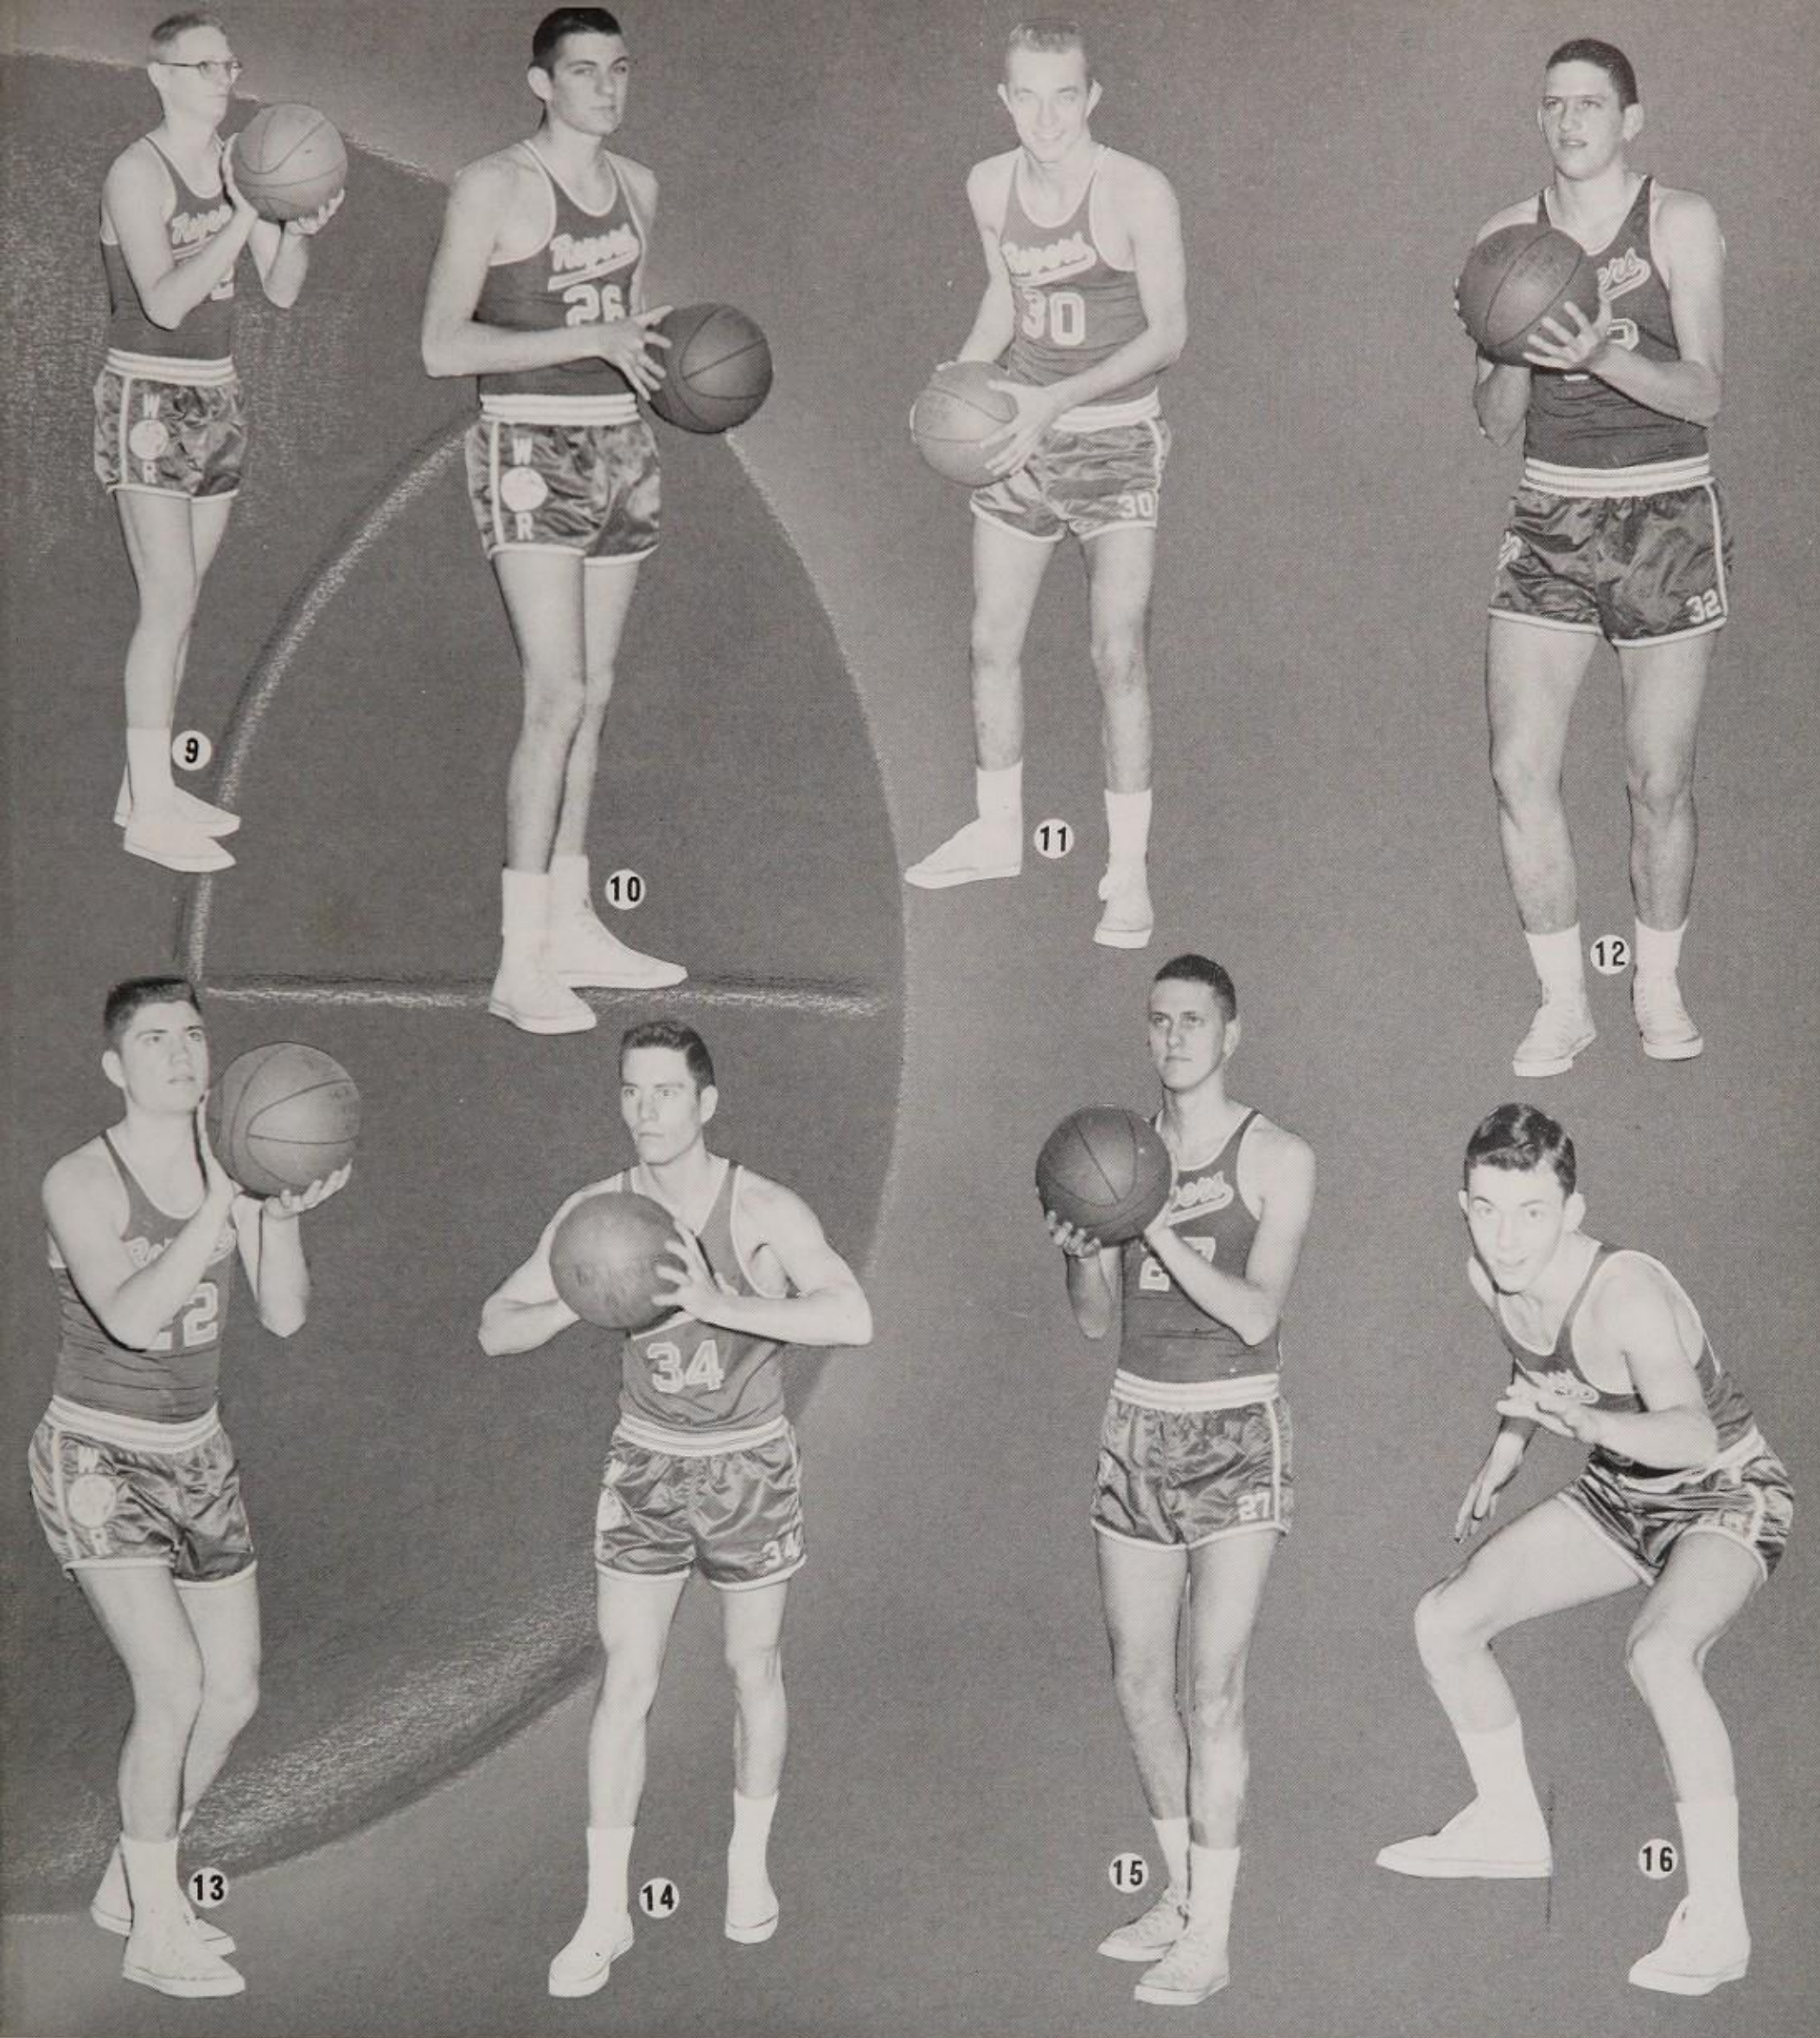

Oklahoma-Six Conference Championships, and in 1955-56 they brought home the State Championship. This year, after winning the regionals, the dauntless Ropers captured the State Championship and another trophy again for the second time in the past three years.

Hands, hands, everywhere as jumping Ropers score a basket for excited fans.

The Roper "Bees" won their first six games over their long standing rivals, Webster, Sapulpa, Sand Springs and Central. To start a new rivalry, the Ropers beat the speedy Edisonites, 36-27. Booker T. was the first team to down the B's by a score of 46-31. The Ropers got back on the winning road by squeaking by Webster, 43-41, and trouncing the Y.M.C.A., 39-32. The Rogerites were defeated by the hustling Central and Webster teams. The Ropers slipped by in a return match with the "Y", 35-33 and for the last game of the season defeated Edison again.

Matmen Become State Champs

It was a banner year for the Will Rogers wrestling team as they won their first state championship in the school's history. Rogers' win in the state meet was a tremendous upset for two reasons; we sent only six men, and all the teams that had defeated us were there. Even though the chips were down Rogers won.

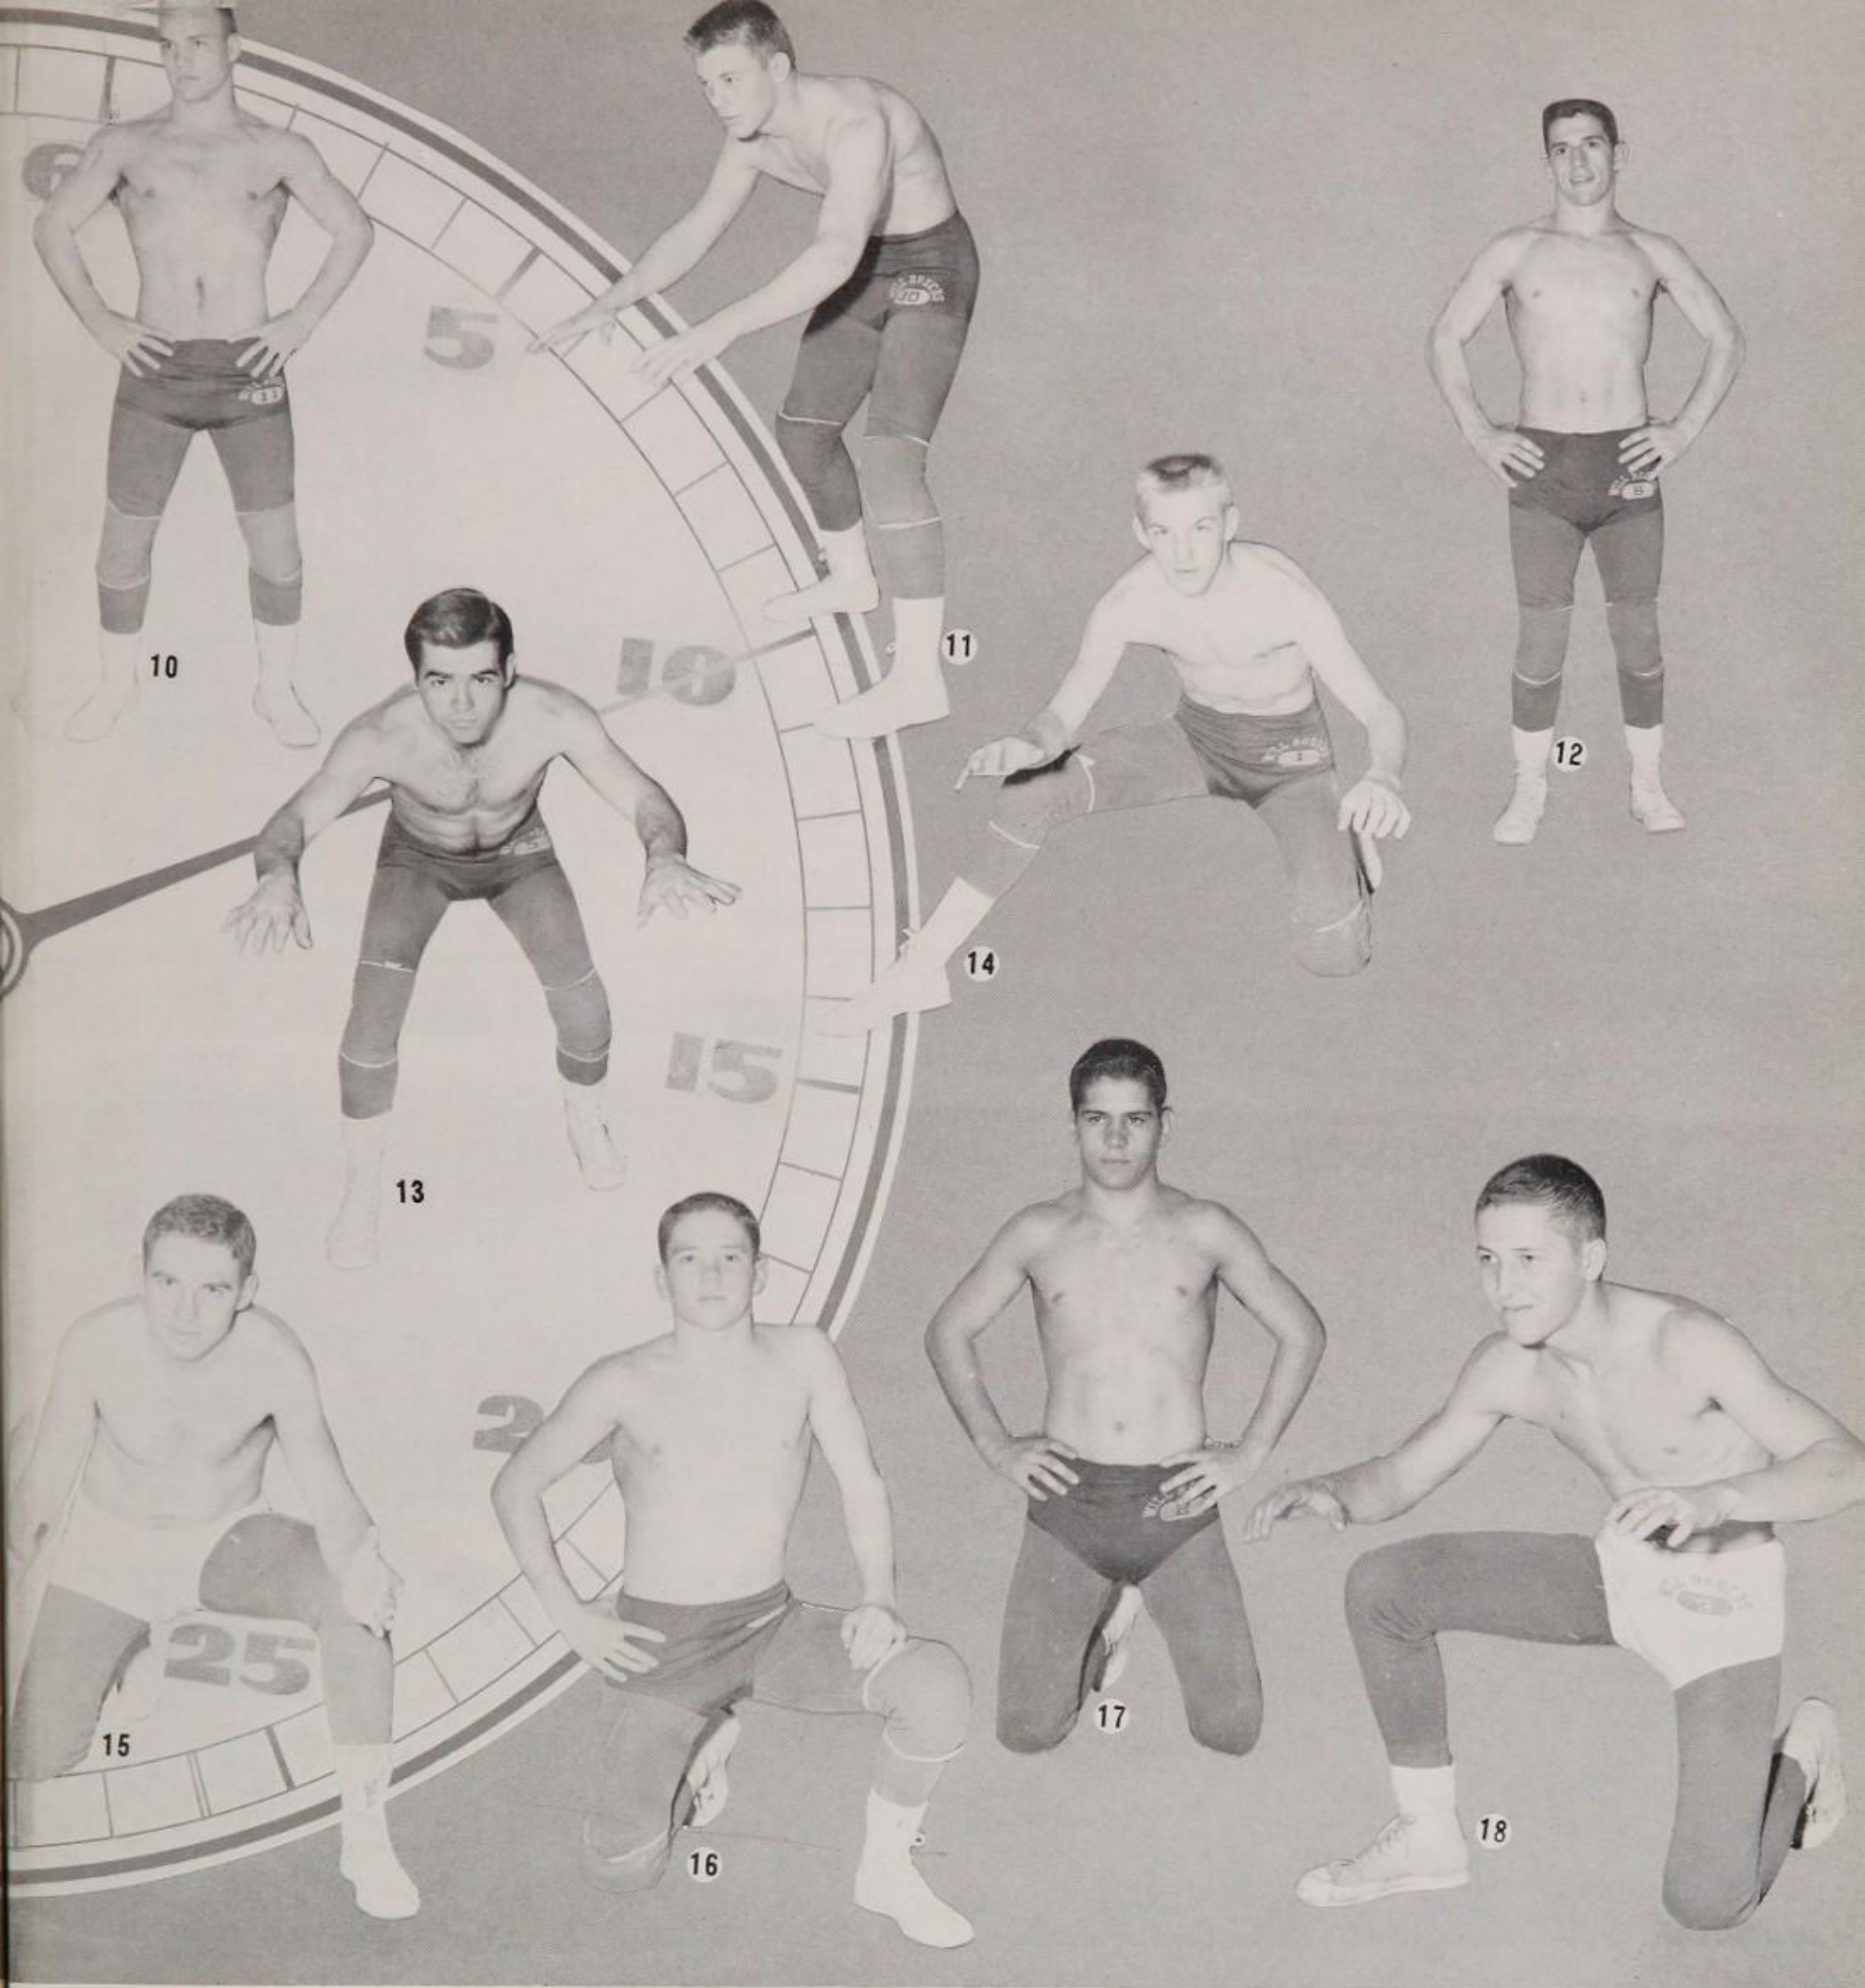

The Ropers lost their dual meet and finished second in the Bristow Tournament. Their first win was over Stillwater, followed by a win over Edison. For the rest of the season they were inconsistent until the Regional, where they placed second and set the stage for the state meet where the best team won.

Thinclads Take City

Out of eleven teams in the O.B.U. race Rogers' cross country squad placed second. Central took the team championship but Harold Smith, Roper star, took first.

We placed second in the first annual Edison race. Smith out-ran the field to take first place and another Roper, Ray Graham, took fourth.

The Blue and Gold finished second in their own Invitational but Smith continued his winning way with a time of 10:15. Ted Riesinger came in third and Ray Graham finished sixth.

After dropping the O.S.U. Invitational, Rogers won the All-City Meet. This win gave the Ropers the city championship. Smith placed first and Riesinger came in fifth.

Rogers' luck ran out in the State Meet, where they placed second. Smith retained his individual State Championship with a time of 10:23.5. Helping us come in second was Riesinger third, and Ray Graham also placed.

Marksman Placed Fifth Nationally

The Will Rogers rifle team, for the first time in its history, won the Grand Championship at the Midwest Indoor Camp Perry Rifle Tournament at Kemper Military School. At this tournament Rogers competed with and defeated a field of 30 high schools and 24 college military units. Rogers' rifle team has always ranked in the top 15 teams nationally. Last year they placed fifth. Rogers also won

first place in the Wichita University Invitational Rifle Tournament and the Kansas State Rifle Matches.

Every Friday the club shoots inter-squad matches to determine who is the best rifleman. Points are given for placing high, and at the end of the year these are compiled and a medal is given to the high-point man.

'B' Squad Rifle Team—First row, left to right: Coach Gunderson, Norman Restor, David Black, Gerald Kimbrell. Second row: Leon Watson, John Duke, Kenneth Hunt, Richard Weber, Forrest Ward.

1957 Track Team Takes Second in Regionals

In spite of rain, Rogers' 1957 Track team posted a three and one dual meet record and placed third in the state meet. The Ropers opened the season by trouncing Bartlesville, 79½-38½. Next Rogers splattered Muskogee as they dashed past the Roughers, 96-22. Central squeaked past Rogers, 64-54, for the first Roper loss of the season. Again the Ropers edged past Bartlesville, 63-55. In the conference meet, the Blue and Gold totaled 57 5-6. The annual All-City meet was rained out, as were the Central State relays. The last Roper dual meet of the season also went by way of rain. The Ropers finally got back into action at the Fort Smith Relays, where the Ropers took second with 39. Back home Rogers took second in the Regional Meet with a total of 47½ points. Rogers took third with 24½ in the State Meet. Harold Smith, Roper miler, made headlines by shattering the old time for the mile run.

The Roper swimming team, coached by Mr. Bill McMichael, placed third in the city meet. The two wins of the season came when Rogers downed Webster. The Ropers were the first team not to be defeated by the Coffeyville swimmers.

Their daily workout consists of distance swims, short sprints and flip turns. Each member of the team must swim a mile before he is allowed to leave the pool at the end of the day. They constantly swim inter-squad races to find out who is best suited to swim each event.

The Ropers suffered hardships because most of last year's team had graduated. With a majority of the team remaining at Rogers next year, the swimmers are looking forward to a bright and successful season in '59.

1957 Diamond Crew Takes Regionals

The 1957 baseball season, dampened by rain, was cut nearly in half with the Roper nine only playing eight conference games, three regional play-offs, and the State.

Playing their first game of the season against Edison, the Roper diamond crew dug out a 18-7 victory. Sporting some strong hitting and equally good pitching, the Ropers moved past Bartlesville, 11-4. The Sapulpa Chieftains were the first to defeat Rogers, 9-6. Playing Bartlesville for the second time, the Ropers again moved past them, 3-1. The Ropers left Sand Springs high and dry by shutting them out, 11-0. Webster won a close game with the Ropers, 1-0. Rogers then thrashed out a decisive victory over Washington, 13-3. In the last conference game, the Ropers edged by Edison, 2-1.

In the first game of the Regionals, Rogers met Bartlesville, emerging with the top score, 2-1. Meeting Webster, the Roper crew romped by the Warriors, 9-2. Muskogee provided the stiffest competition, as Rogers edged by them in extra innings, 5-4.

Having finally reached state competition the Ropers lost a heartbreaker to Northwest Classen, 4-1.

The 1957 edition of the Roper tennis team enjoyed one of the best seasons on record last year. In their first match they romped past Edison, 9-1. The Ropers in turn tasted their first defeat at the hands of Bartlesville, 9-3. The three winners were H. I. Aston, John Wallace, and Lyle Breeding. In their third match the Ropers managed to squeeze past Central, 5-4. In the succeeding game, the Ropers again met Bartlesville, with Bartlesville defeating them, 8-1. Their second meeting with Edison proved to be another feather in the cap of the Ropers; the score was 7-0. In their first match with Cascia Hall the Ropers also enjoyed victory to the tune of 9-5. Central forfeited their second match with Rogers, giving the Ropers an automatic victory. Next the Ropers met Tahlequah for the first time in the season and were defeated, 7-2. The final game of the season was against Cascia Hall as the Ropers again trounced them, 9-3, to end a winning season.

Roper Golfers Post Winning Season

The 1957 Roper golf team began their season by dropping their first match to the Edison Eagles. Their second match with the Eagles was rained out. In the following match the Ropers defeated the Webster Warriors, $8\frac{1}{2}$ - $4\frac{1}{2}$. The third match was also against the Warriors and again the Ropers were victorious with a score of $11\frac{1}{2}$ - $1\frac{1}{2}$. Okmulgee then met the Ropers for two matches, defeating the Rogers team both times, 7-6, and $9\frac{1}{2}$ - $3\frac{1}{2}$. Cascia Hall also followed suit in the two succeeding games by romping past the Ropers with the scores of $8\frac{1}{2}$ - $4\frac{1}{2}$, and $9\frac{1}{2}$ - $3\frac{1}{2}$. The Ropers then faced Muskogee and split a bill with them, Rogers winning the first match 7-6, and Muskogee winning the second, $8\frac{1}{2}$ - $4\frac{1}{2}$. In their final games of the season against Sapulpa, the Ropers were victorious in the first match, $11\frac{1}{2}$ - $1\frac{1}{2}$, but lost the second match, 7-6.

The Roper golfers placed sixth in the state. Lettermen were Bill Warren and Bill Winslow.
